

**PANORAMA COMMUNITY SCHOOL DISTRICT
SCHOOL DISTRICT PERSONNEL & THE NEWS MEDIA**

School district personnel shall refer interview requests and information requests from the news media to the superintendent's office. School district personnel may be interviewed or provide information about school district matters after receiving permission from the superintendent.

It shall be within the discretion of the superintendent to allow news media to interview and to receive information from school district personnel.

It shall be the responsibility of the superintendent to develop guidelines for assisting school district personnel in upholding this policy.
