

PARKING INFORMATION WHEN ATTENDING EVENTS AT RBHS

Parking at RB can be a challenge due to the limited amount of spots available to us. We encourage you to carpool or walk whenever possible.

Where to Park:

- Ridgewood Road, which is limited to 2 hour parking. If you park there during school hours you must walk to Door A, the new front entrance located off of Golf Road, to gain admission to the building.
- Rockefeller Road, our only official school parking location, which is located just north of the north end zone of the football field at the end of Golf Road on the left, just before the Zoo gates.
- The lot behind the building, commonly referred to as the “faculty lot” is NOT our property; it is owned by the Zoo which allows us to use it during the school week. Faculty members and guests are allowed to park there during that time. We have very limited use of the lot beyond that time frame.

When to Park in Designated Parking Areas:

During Normal School Hours: Park on Ridgewood Road, Rockefeller Road, or in the Faculty Lot.

Weekday Evening Events: Ridgewood Road, Rockefeller Road, and the Faculty Lot are available.

Weekend Events: Ridgewood Road and Rockefeller Road may be the only locations accessible for parking. If the faculty lot gate is open, you may park there. If the gate is locked, please do not ask the Zoo booth attendant for access to the faculty lot.

Friday Night Football Games: Park on Ridgewood Road, Rockefeller Road, then faculty lot, and, *possibly*, the field or the Zoo’s Main South lot.

Holiday Events: Ridgewood Road and Rockefeller Road may be the only locations available for parking.

Summer Events: Ridgewood Road and Rockefeller Road may be the only locations available for parking.

SPECIFIC RULES FOR THE USE OF THE “FACULTY LOT”

- If the south gate of the lot is open you may park there.
- If the south gate of the lot is not open, do not attempt to access that lot through the Zoo booth. You must park on Ridgewood or on Rockefeller.
- Unless you have been notified otherwise in advance of a big event (such as graduation), Zoo lot access will NOT be available during school day or evening events.
- RBHS guests who are Zoo members are not able to use their membership cards to access any of the Zoo’s parking lots for an RB function / visit. Zoo membership privileges do not allow you the right to park in Zoo parking lots while attending any RBHS functions.
