

Number the Stars
Power Point Project
Ch. 13-17

Directions: Create a power point with answers to the questions below. You must have one question on each slide. The answers must pop-up on the same slide as the question when the viewer hits the space bar or left clicks on the mouse.

Questions:

1. Describe what happens to Mama on the way back form the boat.
2. What does Annemarie find next to the house?
3. What instructions does Mama give Annemarie concerning the item she found next to the house?
4. What story does Annemarie think about on the path to the boat?
5. List the main characters in the story that Annemarie thought about.
6. How are the characters in *Little Red Riding Hood* like the ones in *Number the Stars*?
7. What are the instructions that Annemarie's mother gives her in case she is stopped?
8. What does the German soldier find in the packet?
9. What is the first thing Annemarie had to try to do after returning to her uncle's house?
10. What is Uncle Henrik's definition of bravery?
11. How does Uncle Henrik get the Rosens to Sweden?
12. What does Annemarie learn about Peter?
13. What is the secret of the handkerchief?
14. How would you rate this book? Why?
