Click the Family Access link in the top right-hand corner of the home page.

**FAMILY ACCESS**

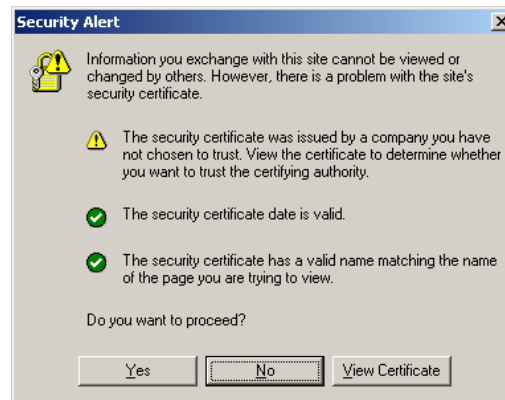

Click Family Access Login.

**Family Access Login →**

Enter your login and password and click Sign In

Sign In

If a certificate window opens, click Yes.

This message will display if no email address is in the system. Click Account to add an email address. An email address is important to communicate with teachers and if you forget your login information. If you do not want to add an email address click Do not record an Email Address.

### Missing Email Address!

You currently do not have an email address entered. Either go to your [Account](#) to enter one, or click the checkbox below if you wish to not provide an email address at this time.

Do not record an Email Address

Click [My Account](#) and Change My Login to setup a meaningful login and do the same in Change My Password. Change your email address if it is no longer correct.
