

Colorado's Unified Improvement Plan for Schools for 2013-14

Organization Code: 3110 District Name: JOHNSTOWN-MILLIKEN RE-5J School Code: 5078 School Name: LETFORD ELEMENTARY SCHOOL SPF Year: 3 Year

Section I: Summary Information about the School

Directions: This section summarizes your school's performance on the federal and state accountability measures in 2012-13. In the table below, CDE has pre-populated the school's data in blue text. This data shows the school's performance in meeting minimum federal and state accountability expectations. Most of the data are pulled from the official School Performance Framework (SPF). This summary should accompany your improvement plan.

Student Performance Measures for State and Federal Accountability

Performance Indicators	Measures/ Metrics	2012-13 Federal and State Expectations			2012-13 School Results			Meets Expectations?	
		Elem	MS	HS	Elem	MS	HS		
Academic Achievement (Status)	TCAP/CSAP, CoAlt/CSAPA, Lectura, Escritura Description: % Proficient and Advanced (%P+A) in reading, writing, math and science Expectation: %P+A is above the 50 th percentile (from 2009-10 baseline) by using 1-year or 3-years of data	R	72.05%	-	-	76.25%	-	-	Overall Rating for Academic Achievement: Meets * Consult your School Performance Framework for the ratings for each content area at each level.
		M	70.11%	-	-	71.9%	-	-	
		W	54.84%	-	-	65.45%	-	-	
		S	45.36%	-	-	53.43%	-	-	
Academic Growth	Median Growth Percentile Description: Growth in TCAP/CSAP for reading, writing and math and growth on ACCESS/CELApro for English language proficiency. Expectation: If school met adequate growth, MGP is at or above 45. If school did not meet adequate growth, MGP is at or above 55. For English language proficiency growth, there is no adequate growth for 2012-13. The expectation is an MGP at or above 50.		Median Adequate Growth Percentile (AGP)			Median Growth Percentile (MGP)			Overall Rating for Academic Growth: Meets * Consult your School Performance Framework for the ratings for each content area at each level.
			Elem	MS	HS	Elem	MS	HS

Student Performance Measures for State and Federal Accountability (cont.)

Performance Indicators	Measures/ Metrics	2012-13 Federal and State Expectations	2012-13 School Results	Meets Expectations?	
Academic Growth Gaps	<p>Median Growth Percentile Description: Growth for reading, writing and math by disaggregated groups. Expectation: If disaggregated groups met adequate growth, MGP is at or above 45. If disaggregated groups did not meet adequate growth, MGP is at or above 55.</p>	See your School Performance Framework for listing of median adequate growth expectations for your school's disaggregated groups, including free/reduced lunch eligible, minority students, students with disabilities, English Language Learners (ELLs) and students below proficient.	See your School Performance Framework for listing of median growth by each disaggregated group.	<p>Overall Rating for Growth Gaps: Approaching</p> <p>* Consult your School Performance Framework for the ratings for each student disaggregated group at each content area at each level.</p>	
Postsecondary & Workforce Readiness	<p>Graduation Rate Expectation: At 80% or above on the best of 4-year, 5-year, 6-year or 7-year graduation rate.</p>	At 80% or above	<p>Best of 4-year through 7- year Grad Rate - using a - year grad rate</p>	-	<p>Overall Rating for Postsecondary & Workforce Readiness: -</p>
	<p>Disaggregated Graduation Rate Expectation: At 80% or above on the disaggregated group's best of 4-year, 5-year, 6-year or 7-year graduation rate.</p>	At 80% or above for each disaggregated group	See your School Performance Framework for listing of 4-year, 5-year, 6-year and 7-year graduation rates for disaggregated groups, including free/reduced lunch eligible, minority students, students with disabilities, and ELLs.	-	
	<p>Dropout Rate Expectation: At or below state average overall.</p>	-	-	-	
	<p>Mean Colorado ACT Composite Score Expectation: At or above state average.</p>	-	-	-	

Accountability Status and Requirements for Improvement Plan

Summary of School Plan Timeline	October 15, 2013	The school has the option to submit the updated plan through Tracker for public posting on SchoolView.org.
	January 15, 2014	The school has the option to submit the updated plan through Tracker for public posting on SchoolView.org.
	April 15, 2014	The UIP is due to CDE for public posting on April 15, 2014 through Tracker. Some program level reviews will occur at this same time. For required elements in the improvement plan, go to the Quality Criteria at: http://www.cde.state.co.us/uiip/UIP_TrainingAndSupport_Resources.asp .

Program	Identification Process	Identification for School	Directions for Completing Improvement Plan
State Accountability			
Plan Type Assignment	Plan type is assigned based on the school's overall School Performance Framework score for the official year (achievement, growth, growth gaps, postsecondary and workforce readiness).	Performance	The school meets or exceeds state expectations for attainment on the SPF performance indicators and is required to adopt and implement a Performance Plan. The plan must be submitted to CDE by April 15, 2014 to be posted on SchoolView.org.
ESEA and Grant Accountability			
Title I Focus School	Title I school with a (1) low graduation rate (regardless of plan type), and/or (2) Turnaround or Priority Improvement plan type with either (or both) a) low-achieving disaggregated student groups (i.e., minority, ELL, IEP and FRL) or b) low disaggregated graduation rate. This is a three-year designation.	Not identified as a Title I Focus School	This school is not identified as a Focus School and does not need to meet those additional requirements.
Tiered Intervention Grant (TIG)	Competitive grant (1003g) for schools identified as 5% of lowest performing Title I or Title I eligible schools, eligible to implement one of four reform models as defined by the USDE.	Not awarded a TIG grant	This school does not receive a TIG grant and does not need to meet those additional requirements.
Colorado Graduation Pathways Program (CGP)	The program supports the development of sustainable, replicable models for dropout prevention and recovery that improve interim indicators (attendance, behavior and course completion), reduce the dropout rate and increase the graduation rate for all students participating in the program.	Not a CGP Funded School	This school does not receive funding from the CGP Program and does not need to meet these additional program requirements.

School Code: 5078

School Name: LETFORD ELEMENTARY SCHOOL

Section II: Improvement Plan Information

Additional Information about the School

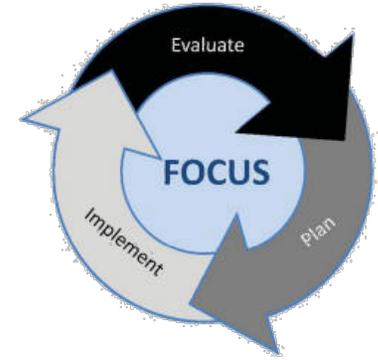

Comprehensive Review and Selected Grant History		
Related Grant Awards	Has the school received a grant that supports the school's improvement efforts? When was the grant awarded?	Read Act Burst Diagnostic Grant
School Support Team or Expedited Review	Has (or will) the school participated in an SST or Expedited Review? If so, when?	No
External Evaluator	Has the school partnered with an external evaluator to provide comprehensive evaluation? Indicate the year and the name of the provider/tool used.	No

Section III: Narrative on Data Analysis and Root Cause Identification

This section corresponds with the “Evaluate” portion of the continuous improvement cycle. The main outcome is to construct a narrative that describes the process and results of the analysis of the data for your school. The analysis should justify the performance targets and actions proposed in Section IV. Two worksheets have been provided to help organize your data analysis for your narrative. This analysis section includes: identifying where the school did not at least meet minimum state and federal accountability expectations; describing progress toward targets for the prior school year; describing what performance data were used in the analysis of trends; identifying trends and priority performance challenges (negative trends); describing how performance challenges were prioritized; identifying the root causes of performance challenges; describing how the root causes were identified and verified and what data were used; and describing stakeholder involvement in the analysis. Additional guidance on how to engage in the data analysis process is provided in the Unified Improvement Planning Handbook.

Data Narrative for School

Directions: In the narrative, describe the process and results of the data analysis for the school, including (1) a description of the school and the process for data analysis, (2) a review of current performance, (3) trend analysis, (4) priority performance challenges and (5) root cause analysis. A description of the expected narrative sections are included below. The narrative should not take more than five pages. Two worksheets (#1 *Progress Monitoring of Prior Year’s Performance Targets* and #2 *Data Analysis*) have been provided to organize the data referenced in the narrative.

Data Narrative for School

<p>Description of School Setting and Process for Data Analysis: Provide a very brief description of the school to set the context for readers (e.g., demographics). Include the general process for developing the UIP and participants (e.g., SAC).</p>	<p>Review Current Performance: Review the SPF and local data. Document any areas where the school did not at least meet state/federal expectations. Consider the previous year’s progress toward the school’s targets. Identify the overall magnitude of the school’s performance challenges.</p>	<p>Trend Analysis: Provide a description of the trend analysis that includes at least three years of data (state and local data). Trend statements should be provided in the four performance indicator areas and by disaggregated groups. Trend statements should include the direction of the trend and a comparison (e.g., state expectations, state average) to indicate why the trend is notable.</p>	<p>Priority Performance Challenges: Identify notable trends (or a combination of trends) that are the highest priority to address (priority performance challenges). No more than 3-5 are recommended. Provide a rationale for why these challenges have been selected and address the magnitude of the school’s overall performance challenges.</p>	<p>Root Cause Analysis: Identify at least one root cause for every priority performance challenge. Root causes should address adult actions, be under the control of the school, and address the priority performance challenge(s). Provide evidence that the root cause was verified through the use of additional data. A description of the selection process for the corresponding major improvement strategies is encouraged.</p>
---	--	---	---	---

Narrative:

Our school is trying to grow positively in achievement status scores in Academic Achievement in all areas. Reading: In Grade 5 in 2011 we had 77 % (PA), in 2012 we had 83% (PA), and in 2013 we had 70 (PA). We increased and then decreased in this area. However, in Grade 4 in 2011 we had 82% (PA), in 2012 68% (PA) and in 2013 we had 80% (PA). We decreased and then increased in 4th Grade. In Grade 3 we had 65% (PA) in 2011, in 2012 we had 88% (PA) and in 2013 we had 75% (PA). Here we decreased then increased then decreased again. This is why we need to focus on sustaining or becoming more consistent with our Academic Achievement.

Writing for our school is also tending positively, but we will focus more on becoming consistent for all Grade Levels. Our Grade 5 Writing in 2011 was 73% (PA), for 2012 was 70% (PA) and in 2013 was 62% (PA). Our 5th Grade has decreased. Our Grade 4 Writing was 70% (PA) in 2011, 51% (PA) in 2012 and 63% (2013). We decreased and then increased. . Our Grade 3 Writing was 55% (PA) in 2011, in 2012 was 67% (PA) and in 2013 was 75% (PA). Our Grade 3 students decreased then increased in Writing.

Math for our school is moving in a positive direction, however, consistency continues to be key. Our 5th Grade Math was 66% (PA) in 2011, in 2012 78% (PA) and in 2013 we moved to 54% (PA).

We increased and then decreased in this area. Our 4th Grade Math was 81% (PA) in 2011, 64% (PA) in 2012 and then in 2013 went to 76% (PA). We decreased and then increased, In 3rd Grade our Math increased from 76% (PA) in 2011, to 75% (PA) in 2012 to 78% (PA) in 2013.

We are increasing in the area of Special Education in the area of Writing. Last year our IEP had an MGP of 42 % and this year we have an MGP of 65%. In Math last year our IEP students had an MGP of 39% and this year our Special Education students have 39% MGP therefore we did not meet. In Reading our IEP students had 38% MGP in 2012 and in 2013 our IEP students had a 51% MGP thus increasing in the area of Reading too.

Minority students are meeting or exceeding in the area of Reading at Letford. LES MGP for 2013 is 44% MGP and the state requires 36% MGP. Minority students did not meet in the area of Math as the state wants 54% MGP and we are at 40% MGP increasing from the previous year, however. . Minority students did meet or exceed in the area Writing. Our MGP was 54% and the state wants 48% MGP. Our ELL population did not meet in the area of Reading with the school's MGP of 48% and the state wanting 53%. In Math our ELL learners decreased with a 42% MGP where the state wants 62% MGP. In Writing our ELL students exceeded the state 58% MGP and the state wants 55%.

While we are showing consistency in the area of Academic Achievement 75.0 % (Same as last year) , LES did decline in the area of Academic Growth moving from a 75.0% 2012 to 71.4% 2013. Our Academic Growth Gaps show a decline moving from 64.6% in 2012 to 58.3% in 2013. Our students needing to catch up is growing in the area of Reading (moving from 40% MGP to 46% MGP) and is decreasing in the area of Math moving from 53% MGP to 43 %MGP and in Writing moving from 64% MGP to 63% MGP.

Worksheet #1: Progress Monitoring of Prior Year's Performance Targets

Directions: This chart supports analysis of progress made towards performance targets set for the 2012-13 school year (last year's plan). While this worksheet should be included in your UIP, *the main intent is to record your school's reflections to help build your data narrative.*

Performance Indicators	Targets for 2012-13 school year (Targets set in last year's plan)	Performance in 2012-13? Was the target met? How close was the school to meeting the target?	Brief reflection on why previous targets were met or not met.
Academic Achievement (Status)	In Reading we will meet or exceed State Expectation. In Math we will meet or exceed State Expectation. In Writing we will meet or exceed State Expectation. In Science we will meet or exceed State Expectation.	We had a 76.25 PA in Reading and a 71.9 PA in Math. We met those goals. We had a 65.45 PA in Writing and a 53.43 in Science meeting those goals also.	We met our Academic goals due to our commitment towards fidelity of curriculum, interventions and teaching strategies.
Academic Growth	Letford Elementary School made adequate growth in Reading, Math and Writing.	We had MGP of 48% in Reading, above the State MAGP of 27%. We had MGP of 48% in Math at the State MAGP of 47%. We had MGP of 55% above the State MAGP of 37% in Writing.	We met our Academic Growth rate goals due to our commitment towards fidelity of curriculum, interventions and teaching strategies.
Academic Growth Gaps	Special Ed. Students to meet MGP in Reading and Math. Minority students meet MGP in Reading and Math.	Special Ed. Reading target was close as we had 51% MGP and the state MGP was 53%. Math target was 69 for IEP students and we had a 39 MGP. In Reading Minority students had a 44 MGP and the state wanted 36%. Minority students in Math had 40 MGP and the state goal is 54%.	Subgroup goals will need to be continued as we did meet on targets in Writing, however, not in Reading or Math. We will need to add ELL goals in area of Math.
Postsecondary & Workforce Readiness			

School Code: 5078

School Name: LETFORD ELEMENTARY SCHOOL

Worksheet #2: Data Analysis

Directions: *This chart supports planning teams in recording and organizing observations about school-level data in preparation for writing the required data narrative.* Planning teams should describe positive and negative trends for all of the four performance indicators using at least three years of data and then prioritize the performance challenges (based on notable trends) that the school will focus its efforts on improving. The root cause analysis and improvement planning efforts in the remainder of the plan should be aimed at addressing the identified priority performance challenge(s). A limited number of priority performance challenges is recommended (no more than 3-5); a performance challenge may apply to multiple performance indicators. At a minimum, priority performance challenges must be identified in any of the four performance indicator areas where minimum state and federal expectations were not met for accountability purposes. Furthermore, schools are encouraged to consider observations recorded in the “last year’s targets” worksheet. Finally, provide a brief description of the root cause analysis for any priority performance challenges. Root causes may apply to multiple priority performance challenges. You may add rows, as needed.

Performance Indicators	Description of Notable Trends (3 years of past state and local data)	Priority Performance Challenges	Root Causes
Academic Achievement (Status)	<p>Increase then decrease in Reading in Grade 5 during the 2011-1012 years from 77% (PA) to 83% (PA), 2013 70%. We had a decrease in Writing in Grade 5 during the 2011-2012 year from 73% (PA), 2012 year 70% and 2013 was 62%. . We had an increase and then decrease in 5th Grade Math from 66% in 2011, to 78% 2012 and then to 54% in 2013.</p> <p>In Grade 4 we had an decrease then increase in Reading. 2011 we had 82%, 2012 we had 88% and then 2013 we had 80%. In Writing we had a decrease then increase from 70% in 2011 ro 51% in 2012 to 63% 2013. In Math we had decrease then increase from 81% 2011, to 64% 2012 to 78% in 2013.</p> <p>Grade 3 increased and then decreased in Reading from 65% in 2011 to 88% in 2012 to 75% 2013. In Writing our Grade 3 has increased from 55% in 2011 in 67% in 2012 and 75% in 2013. Grade 3 also increased in Math from 76% in 2011 to 75% in 2012 to 78% in 2013.</p>	Sustaining achievement gains LES students accomplished the last 3 years.	The root causes for our goal of consistently sustaining our achievement levels include a continual need of curriculum review and focus on new standards, research based strategies being utilized and the teaching strategies being consistently utilized.

Performance Indicators	Description of Notable Trends (3 years of past state and local data)	Priority Performance Challenges	Root Causes
Academic Growth	Our 3 year trend shows that we are at or above the MAGP in all Academic Growth areas. In 2013 our MGP was 48 and the state wants 27% In Reading LES MGP was 55% the state requires 27% during the 2011-2012 year. During the 2010-2011 year LES was 52%MGP and the state was 25%MGP. In Math in 2013 the school had 48MGP and the state wanted 47% and then during the 2011-2012 LES MGP was 49% and the state requires 49%, in the 2010-2011 year LES MGP was 51% and the state was 42%MGP. In 2013 Writing LES MGP was 55 and the state wanted 37MGP, in 2012 our school was 53% and the state required 37%. During the 2010-2011 year LES was 58% MGP and the state required 33% MGP.	Sustaining the Median Growth Percentile gains LES students accomplished the last 3 years.	The root causes for our goal to sustain MGP is through curriculum fidelity along with research based instructional strategies at LES>
Academic Growth Gaps	LES does not meet MGP in Mathematics in the area of students with disabilities and ELL learners. LES MGP is 39% and the State wants 69% during the 2013 school year. During the 2010-2011 school year 50%MGP and the state required 47% MGP- Our school is approaching in Reading with Minority students, we had 44MGP and the state wanted us to have 36MGAP, Students with Disabilities Our school had 51MGP and the state	Meeting MGP for our Special Education students and for our ELL students.	We struggle to meet growth gap targets for special education students and ELL students due to intervention effectiveness.

School Code: 5078

School Name: LETFORD ELEMENTARY SCHOOL

Performance Indicators	Description of Notable Trends (3 years of past state and local data)	Priority Performance Challenges	Root Causes
	wants us to have 53% MGP. and English learners that had an MGP of 48 and the state wanted 53MGAP. Our school is approaching in Math in the area of FRL We had 43MGP and the state wanted 54MGAP and Minority students had a 40MGP and the state wanted 54MGAP.		
Postsecondary & Workforce Readiness			

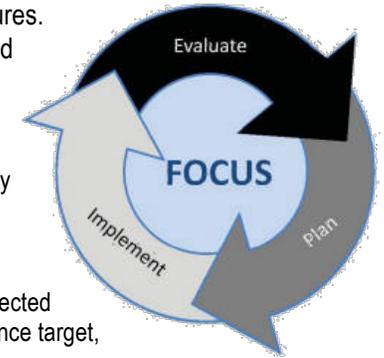

Section IV: Action Plan(s)

This section addresses the “Plan” portion of the continuous improvement cycle. First, identify annual performance targets and the interim measures. This will be documented in the required *School Target Setting Form* on the next page. Then move into action planning, which should be captured in the *Action Planning Form*.

School Target Setting Form

Directions: Complete the worksheet below. While schools may set targets for all performance indicators, at a minimum, they must set targets for those priority performance challenges identified in Section III (e.g., by disaggregated student groups, grade levels, subject areas).

Schools are expected to set their own annual targets for academic achievement, academic growth, academic growth gaps, and postsecondary and workforce readiness. At a minimum, schools should set targets for each of the performance indicators where state expectations are not met; targets should also be connected to prioritized performance challenges. Consider last year’s targets (see Worksheet #1) and whether adjustments need to be made. For each annual performance target, identify interim measures that will be used to monitor progress toward the annual targets at least quarterly during the school year.

School Target Setting Form

Performance Indicators	Measures/ Metrics	Priority Performance Challenges	Annual Performance Targets		Interim Measures for 2013-14	Major Improvement Strategy	
			2013-14	2014-15			
Academic Achievement (Status)	TCAP/CSAP, CoAlt/CSAPA, Lectura, Escritura	R	Sustaining consistent achievement gains LES students	Maintain or exceed 80% PA on SPF	Maintain or exceed 84%	DIBELS benchmark collected 3 times a year, Progress Reporter use is the Progress monitor weekly.	Curriculum review and alignment to standards. Monitoring universal classroom curriculum and Instructional Strategies effectiveness.
		M	Sustaining consistent achievement gains LES students	Maintain or exceed 75 % PA.	Maintain or exceed 75% PA.	Star Math collected every 5 weeks as the Progress then Accelerated Math and continue to monitor. Math Investigation Unit test every 6 weeks. Stand Out Math Assessments and curriculum utilized. 	Mean CO ACT						

Action Planning Form for 2013-14 and 2014-15

Directions: Identify the major improvement strategy(s) for 2013-14 and 2014-15 that will address the root causes determined in Section III. For each major improvement strategy, identify the root cause(s) that the action steps will help to dissolve. Then, indicate which accountability provision or grant opportunity it will address. In the chart below, provide details about key action steps necessary to implement the major improvement strategy. Details should include the action steps that will be taken to implement the major improvement strategy, a general timeline, resources that will be used to implement the actions, and implementation benchmarks. Additional rows for action steps may be added. While the template provides space for three major improvement strategies, additional major improvement strategies may also be added. To keep the work manageable, however, it is recommended that schools focus on no more than 3 to 5 major improvement strategies.

Major Improvement Strategy #1: Improve Academic Achievement in all content areas **Root Cause(s) Addressed:**

Curriculum review in all content areas (Literacy, Math and Science) along with research based strategies are being consistently utilized.

Accountability Provisions or Grant Opportunities Addressed by this Major Improvement Strategy (check all that apply):

- State Accreditation
 Title I Focus School
 Tiered Intervention Grant (TIG)
 Colorado Graduation Pathways Program (CGP)
 Other: _____

Description of Action Steps to Implement the Major Improvement Strategy	Timeline		Key Personnel*	Resources (Amount and Source: federal, state, and/or local)	Implementation Benchmarks	Status of Action Step* (e.g., completed, in progress, not begun)
	2013-14	2014-15				
Conduct monthly grade level meetings, teachers share and discuss local data that shows mastery in Science, Math and Literacy.	Ongoing	Principal and teachers.	Local Resources utilized. This occurs during school/planning time along with Alpine Data system.	We will have 100% attendance at meetings where teachers discuss data.	In Progress.	
Monitor curriculum for fidelity through classroom observation.	Ongoing	Principal and teachers.	Local and District Resources Teachers use professional days and the district hires substitute teachers at	By midyear the principal will observe instruction in 40% of the classrooms and have held post conferences.	In Progress.

Major Improvement Strategy #3: ___ Meet Growth Gap targets for Special Education and ELL students in Math and Readubg.

Root Cause(s) Addressed: _____

We are still figuring our intervention implementation and effectiveness. _____

Accountability Provisions or Grant Opportunities Addressed by this Major Improvement Strategy (check all that apply):

- State Accreditation
 Title I Focus School
 Tiered Intervention Grant (TIG)
 Colorado Graduation Pathways Program (CGP)
 Other: _____

Description of Action Steps to Implement the Major Improvement Strategy	Timeline		Key Personnel*	Resources (Amount and Source: federal, state, and/or local)	Implementation Benchmarks	Status of Action Step* (e.g., completed, in progress, not begun)
	2013-14	2014-15				
Progress monitor in Reading and Math IEP and ELL students.	Weekly	Special Ed teacher, classroom teachers, ELL teacher, Title and Principal	Local Resources such as time within our contract schedule	PM data will be discussed and reviewed at team level meetings.		
Gather progress monitoring data, along with TCAP and other assessments denoting growth rates along with needs/strengths.	Sept/Oct	Special Ed Teacher, ELL Teacher, Title ,Principal and classroom teaches	Staff meetings during contract hours.	Individual Growth rate CSAP data was discussed along with strengths and needs in Math/Writing for our subgroups.	Sept/Oct	
Flexible grouping and teaming within ELL/Special Ed and Grade levels to avoid repetition	On going	Spec Ed. Teacher, ELL teacher,	Staff and Grade level meetings.	Using the growth rate data the teams will continue to reevaluate effectiveness in grouping	In Progress	

School Code: 5078

School Name: LETFORD ELEMENTARY SCHOOL

		Title, Principal and classroom teachers				
IEP/ELL Plan review of goals/objectives along with accommodations will be implemented at the annual ELL/IEP meetings.	On going	IEP team, ELL team including parents, teachers, Principal and students	Local resources such as time and substitute teachers to cover during IEP/ELL/RTI meetings. Substitutes totaling \$80.00 per day and we have meetings every week. Total being \$1500.00	Annual meetings	In Progress	
Learning or Achievement contracts for students in need	Ongoing	Parents, staff and students	Local resources such as time.	Meetings as needed	In Progress	

* Note: These two columns are not required to meet state or federal accountability requirements, though completion is encouraged. "Status of Action Step" may be required for certain grants.

Section V: Appendices

Some schools will need to provide additional forms to document accountability or grant requirements:

- Additional Requirements for Turnaround Status Under State Accountability (Required)
- Tiered Intervention Grantee (TIG) (Required)
