

Mrs. Smith--English

February 3, 2010

Dear Parent or Guardian:

From past experience, the English Department has seen many advantages from students' owning some of their own textbooks. This has enabled them to annotate novels as well as to complete exercises in grammar and vocabulary texts that were actually designed as workbooks. Even though purchase of these books is not required, it is highly recommended. To facilitate ordering and more efficient distribution of books, and to take advantage of lower prices now, the department requests that payment in full be made for these books, preferably by check. You will find the list of books below. Thank you for your interest and cooperation.
