

## How Do I Connect to the Internet When Away From PUSD?

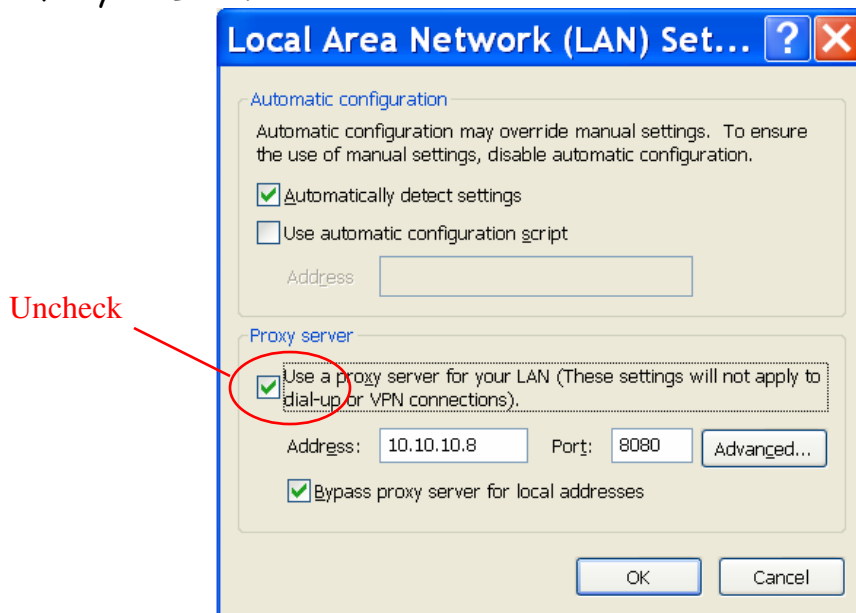

To connect to the internet when away from Parker Unified School District, you must turn off the proxy setting in the browser you are using.

In Internet Explorer

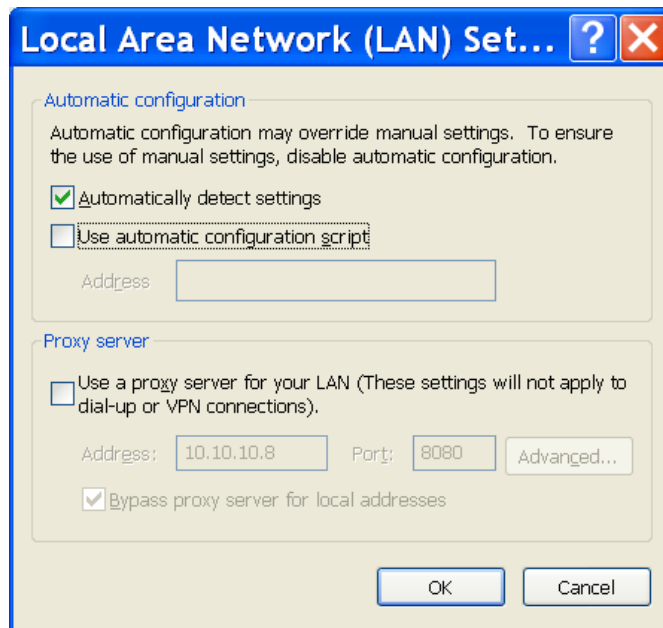

1. Open Internet Explorer.
2. Go to Tools/Internet options/ click on the Connections tab and you will see the window below.

3. Next click on **LAN Settings**, and uncheck the box 'Use a proxy server for your LAN'.

4. Save the settings by pressing OK.

NOTE: When you return to PUSD, remember to turn the Proxy setting back on by following the steps above and checking the box 'Use a proxy server for your LAN'.
