Los Angeles High School offers a wide-ranging sports program. Starting Fall 2015, we will field 18 athletic programs that are available throughout the year. Every program has different criteria for making the team. All interested students need to complete an Athletic Participation Packet before they are allowed to compete on behalf of the high school.

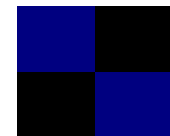

Due to limited numbers in some sports, not everyone can make the team. However, some sports such as football, cross country, track and swimming allow an unlimited number of participants. You may direct any questions to the Athletic Director at (323) 900 – 3518.
