

AVHS Student Google Apps Accounts

Use your student email account for all school correspondences and Pearson OpenClass. Make sure you **write your password down** and keep that information in a safe place (wallet, purse).

Start at www.avhs.org

Follow the links on the left side of the website to “Google Apps” (<http://gapps.avhsd.org/>)

The page is divided. The top three links are for teachers. The bottom four are for students.

The screenshot shows the AVUHSD Main Page. At the top, there's a header with the title "AVUHSD Main Page" and a search bar. Below the header, there's a sidebar on the left with links for "AVUHSD Google Apps" and "Sitemap". The main content area is titled "AVUHSD Google Apps" and contains a welcome message, instructions for employees and students, and two sections of links. The "Google Apps for Teachers" section includes links for Google Calendar, Google Docs, and Google Sites. The "Google Apps for Students" section includes links for Google Calendar, Google Docs, Google Email, and Google Sites. A large red "STUDENTS" label with a blue arrow pointing to the "Google Email" link is overlaid on the page.

The username is your student ID. Type **ONLY** your ID number.

Type the default password: Type the initials to your first and last name followed by your student ID number. For example, Joe Student with a student ID of 145678 would type “js145678” – ALL LOWERCASE. Change your password; write your password down NOW. Keep the password with you at all times.

If you cannot log into your email account:

- Check to make sure that the CAPS LOCK is not enabled.
- Look at the image above and make sure you are actually on the student page.
- Are you **ONLY** typing the student ID as the username?
- Talk to your teacher. They can send an email to have your email password reset; however, this may take up to 48 hours.
