[North 1 Group 2 Champions](#)

For the second consecutive week the boys' basketball team takes the place of honor in the Good News Newsletter! Last week we were thrilled to report that we are co-league champions with Garfield. This week we went to the next level and stand alone at the top! The boys' varsity basketball team beat top-seeded Ramsey High School at Ramsey Monday night 92 to 90 for the North 1, Group 2 championship. At several points through the game, Ramsey led by as much as 8 points. By the fourth quarter Manchester took the lead and it see-sawed back and forth until ending in a 79 to 79 tie. Manchester took the lead in overtime and ended strong thanks to a great team effort and 11th grader Alex Morale's performance scoring 41 points.

[MRHS Faculty and Staff Book Club](#)

This Wednesday the MRHS Faculty and Staff Book Club had a great discussion about the book *The Girl on the Train*, by Paula Hawkins. Everyone liked the book and we recommend it to anyone looking for a quick and suspenseful read along the lines of *Gone Girl*. Our next book selection is *Pilgrim's Wilderness: A True Story of Faith and Madness on the Alaska Frontier*, by Tom Kizzia. We will be meeting on Wednesday, April 15th to discuss it and welcome any one who is interested in joining us.

[Cow Eye Dissection](#)

In Mrs. Russo's Anatomy and Physiology class, students apply their knowledge of the structures of the eye to identify the cornea, lens, iris, retina, vitreous humor, optic nerve, and the tapetum lucidum (enables the cow to see at night!). They can then relate the structures to the functions involved in sight. Alanis Bindels displays her work.

[PARCC Is Back Next Week](#)

PARCC testing at MRHS has been on hiatus for the last two weeks while HSPA testing was taking place. HSPA has now officially ridden "off into the sunset." PARCC will return for the next two weeks. Students will have an altered schedule during this testing period. Students who are not testing will be dismissed at 12:07.
