South America

Latin America: Physical

Mexico

Central America

South America

Physical map from <http://kirkliv.wordpress.com/2009/06/02/latin-america-physical-map/>

Physical landscapes and
climate often changes
settlement patterns and helps
shape population distribution.

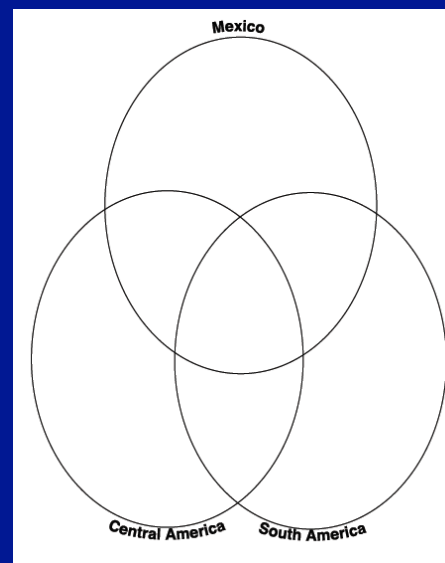

True or False

Justify

1. Label your map....then fill in the regions.
2. Compare and contrast
3. Answer questions

	Mexico	Central America	South America
Physical Geography			
Natural Resources			
Population			
Economic Activities			
Settlement patterns based on physical features			

Latin America

1. What are the 3 regions of Latin America?

2. How have physical features affected the population distribution of Latin America?

3. How have climate and natural hazards affected the population distribution of Latin America?
