Seven "Buckie" Buckles

Officially designated as America's fourth-ranking fighting ace, Captain Kindley was credited with a dozen air victories and was awarded the Distinguished Service Cross, the Distinguished Flying Cross, Medal of the Aviation Club of New York, British War Medal, and a medal presented by the Prince of Wales in 1919.

To the memory of Captain Kindley's heroism in combat and the enviable record which he left for future warriors of the sky, some of whom no doubt will come from the school which bears his name, the Twister staff respectfully dedicates this booklet and its aeronautical theme.
