Scientist Research – Preview Resources #2

Use this form to make notes that will help you prepare for your research.
Watch the video on the HP Raider Library web page / Help! section to get started.

You might want to read a few of the articles now. We will print information during the research days in the library.

Tip: Put the scientist name in quotes to search. Example "Charles Richter"

Encyclopaedia Britannica School Edition (username is *hpms2*, password is *raiders*)

1. Is my scientist here? **yes** **no** (circle one)
2. Which areas look the most helpful? (circle all that look good)

3. Click the **related** tab and find the  **Web's Best Sites** link.
Do any of these web sites look helpful? **yes** **no** (circle one)

Grolier Online (username is *dcs2012*, password is *dcs2012*)

1. Is my scientist here? **yes** **no** (circle one)
2. Which sections have information about my scientist?
(click each section that comes up and circle all that look good)
