**17.2 Europe After the Fall of Rome**
**Excursion Journal**

**_____**

**Total _____/12**

*Today you are a former citizen of the Roman Empire documenting in your journal the changes in Europe at the beginning of the Middle Ages. Secondly, you are charting a map of the region, and are documenting all the rivers, mountains, plains, and bodies of water you encounter.*

*Entry 1: Describe your geographic journey out of Rome, describing the mountains, rivers, etc. on your way towards Gaul. Describe the fighting kingdoms you encounter, including the Franks.*
*Entry 2: As you venture out of Gaul toward modern day Germany, describe the geographic features you cross, and now describe the missionaries that you see.*
*Entry 3: Lastly, continue moving on beyond Germany. Which direction do you go? What geographic features do you encounter in that region? Describe them. Lastly, explain the monasteries that you see along the way. Describe who lives there and what they do.*
