Dedication

We, the 1961 TWISTER staff, wish to dedicate this book to K. A. (Andy) McClure.

As you know, next year Andy will no longer be with us here at C.H.S. But his many years of faithful work for Field Kindley will live on. Andy was our coach for many successful seasons- and later, as vice-principal of our school, has been a friend to all students who have obtained many wholesome benefits as the result of his efforts.

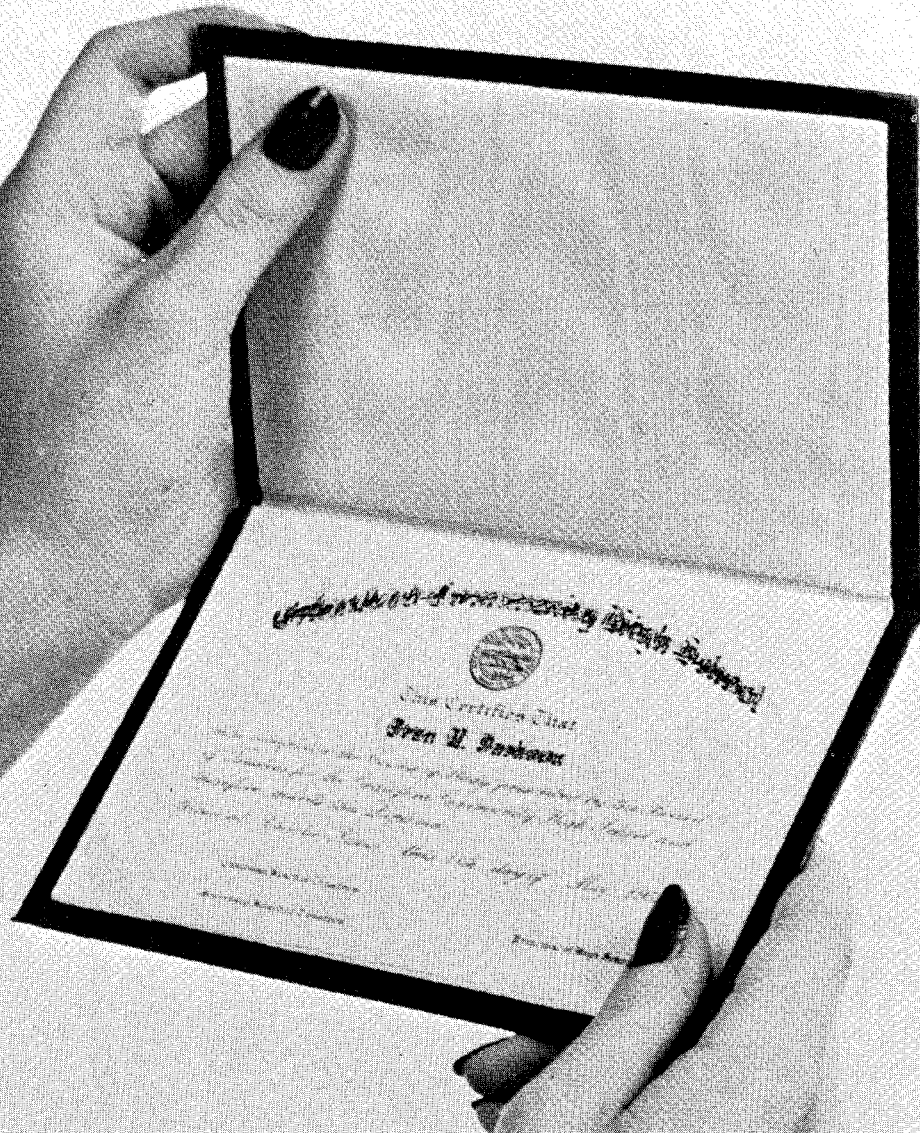

As the new principal of the junior high just next door, he will not be so far away, but we will miss him. We wish to express our sincere appreciation for all he has done and also to wish him continued success. Good luck, Andy!

The Twister Staff

Your yearbook is a cooperative enterprise engaged in by all the journalism students who are pictured on page 36. However, an honorary staff has been named of those who contributed more time and effort in the publication of the Twister. Their names and picture may be found on page 71.

As the '61 track season opened for head coach Oren Stoner and assistant coach Don McWhirt, 52 candidates were vying for positions on the Golden Tornado track squad. Seventeen of these were returning lettermen from last year's SEK and Regional championship team plus two returning lettermen from the '59 crew.

There were a total of twelve meets on the schedule including the Coffeyville Relays. For the second time in as many years, the schedule permitted the thinclads to attend the junior-senior prom.

At the time of this writing results of any of the meets were not known. Captains for the year were Glen Heaven and Dick Robison. It was expected that the Tornado thinclads would have a successful year with the following men bolstering the team in their respective events; seniors, Glen Heaven, 440 yard dash; David Martin, 880 yard run; Dick Robison, mile; Bruce Smith, high jump; and Gerald Springer, 880 yard run; juniors, Jim Beam, 440 or 880 yard run; Jim Bever, pole vault; Butch Jackson, 880 yard run; Jim Moore, high and low hurdles; and Harold Rush, high and low hurdles.

"Mose" Neis opened the season with six returning lettermen, seniors, Mike Downey, Eddie Seaton, and Bruce Witherspoon; juniors, Ron Hamlin, Don Sappenfield, and Mike Mason. This year's team was expected to be no exception to the usually fine teams that CHS and Coach Neis produce. The team was scheduled to participate in five invitational golf meets, plus their own coffeyville Invitational and the SEK, Regional and possibly State meets.

A Great Season

The Golden Tornado of 1960-61 ended their season with an excellent seven won-two lost record. The McWhirtmen finished second in the S. E. K. standings and fifth in the state.

The C. H. S. 'ers set several new records; scoring 314 points for the season, surpassing the old record of 296 points in 1957; scoring the most points on Ise Field with a 70-7 romp over Fort Scott; Ron Holman set records for extra-points in one season with 29 and with a 38 yard field goal.

Coffeyville placed high on the all-S. E. K. team with Dave Schichtle, Ron Murphy, Fred Decker, Mike Lewark, Jim Gaffney, and Bob Templer being named; while Tim Wettack, Ron Holman, and Ken Hendrix received honorable mention. Fred Decker was placed on the Wichita Beacon's All-State team and Dave Schichtle received the nod for the second team All-State for the Topeka Capital.

This year's squad was one of the lightest teams to play under the name Tornado. The line averaged only 170 lbs., while the back averaged 165 lbs. The "Tightwads", the defensive unit, was created this year and they made an excellent showing. They held Joplin to seven yards in the second half and Parsons to no first downs. Although this year's squad did not win the championship, it is generally agreed that this was one of the great teams to play for C. H. S.

The Golden Tornado

(2nd in S. E. K. - 6th in State)

In regular play, the 1960-'61 edition of the Golden Tornado roundballers placed second in the SEK league with a 12-2 record. After defeating Ft. Scott 49-37, Independence 57-42, Altamont 56-44, and Columbus 71-57, the Tornado was unable to find the basket range and lost to Parsons 56-49.

Rebounding back the Tornado won their next 13 games and set a new record for successive games won. First of the victims was Iola, followed by Pittsburg, Ft. Scott, and Chanute.

At the Campus High basketball tournament, the Cagers defeated Washington, Bethel, Campus High, and the tough Shawnee Mission North teams to capture first place and bring home a fine trophy.

Continuing their victorious ways, the Tornado dropped Independence, Columbus, Parsons (then rated first in the state), Iola, Pittsburg, and Joplin.

In the last game of the season, against Chanute, the Tornado again had trouble locating the mark and lost a heart-breaker 54-50 in overtime.

The Golden Boys then entered the Regionals with a respectable 17-2 record, which was good enough to draw them a bye in first night of competition. In the semi-finals C'ville breezed past Pittsburg by a score of 84-61. Then in the championship tilt, the Tornado witnessed the third and last defeat of the 1960-'61 season by a mighty Parsons crew 67-57, aided by a low shooting percentage by the locals. CHS ended up sixth in the state.

Dave Schichtle was selected unanimously to the SEK team for the 2nd year in a row while teammate Elmer Shade was chosen on the top ten also. Seniors Ron Murphy and Ken Hendrix, and junior Jim Moore received honorable mention, the only starting five in the league to be so recognized.

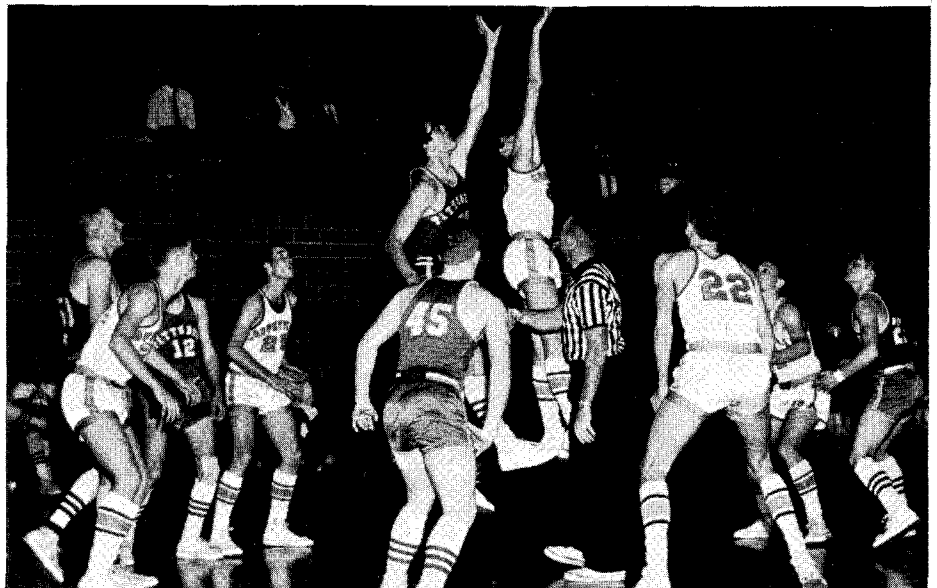

The Vikings were defeated in the finals of the state tournament by Wyandotte in a hard fought game. The state champions and Coffeyville have the distinction of being the only two teams to defeat Parsons during the '60-'61 season.

The Golden Gale

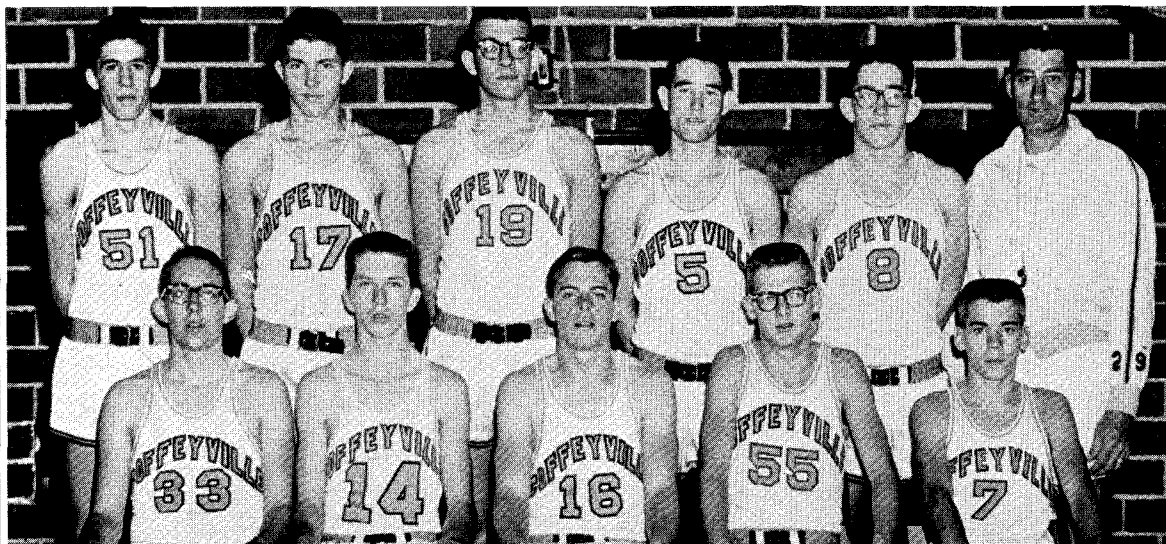

The Golden Gale, under the direction of Coach Oren Stoner piled up an overall record of 13-3 for the 1960-'61 campaign. The Gale, as in the past, was the "B" team composed primarily of sophomores with juniors aiding them. The latter included Schwinn, Sappenfield, Beam, Appleby, Jones, Bever, and Cochran. The entire sophomore group pictured below show a lot of promise and made great improvement during the season. They more than held their own in competition.

The '60 - 61 Tornado Tankers produced a very fine record this year winning 10 of 12 dual meets. The two defeats came from the Oklahoma state champs, Tulsa Edison.

The Tankers finished second behind Wichita East in the state meet. Coffeyville placed 12 men in the finals and finished with 36 points. Following the Tornado was Topeka and Wichita Southeast.

This year's team of 35 was led by 14 returning lettermen. Of these eight will be lost by graduation. They are Mike Downey, Ed Seaton, Rick Parker, Tim Wettack, Dave Martin, Laren Childers, Dennis Trotter and Doug Misch. Next year's team will see 11 returning lettermen which would prove to hold the Tornado's winning tradition.

HONORS TO DOWNEY

Mike Downey has become one of the top swimmers in the history of C. H. S. Besides four of nine records in the home pool, he holds two state records. In addition to state honors he received all-American honors in his junior year for backstroke and all-American recognition in three strokes for this year - the backstroke, flystroke, and individual medly.

TRIBUTE TO A GREAT COACH

When next year's swimming season opens, things around the CHS pool will not be the same. Johnny Charlesworth, who for 23 years has directed the CHS "Ironmen" to victory, will no longer be the coach. Accepting the position of vice-principal of Field Kindley, the one who has "done more for swimming in Kansas high schools than any other man" will turn the CHS swimming squad over to a new coach. The man accepting the job, not known at the time of this writing, will have a pretty big pair of shoes to fill. From 1948 to 1955, Johnny's teams won eight successive state championships. Of the 100 meets in that period of time, Johnny's boys won 96. Seven all-Americans have been developed by Charlesworth. We hate to lose him as a coach, but we're glad he's staying here with us.

Junior Classical League

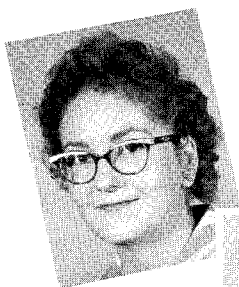

Spanish Club

The Spanish Club under the direction of the new Spanish teacher, Miss Stemmons enjoyed a very busy year. Sally Wall served as President; Carolyn Merrill was elected Vice-President and Nancy Ford as Secretary.

Meetings were held on the second Tuesday of each month where slides, music, and special speakers were featured. The Christmas party was highlighted by a "pinata."

Early in the spring scholarship tests were given to the advanced Spanish students.

The Junior Classical League, one of two national organizations in our high school, lists as its members the students of the three Latin classes. Each person receives a membership card and a silver pin; the student who shows outstanding achievement in Latin is presented a silver honor award at the end of the second year. The purpose of the J.C.L. is to encourage young people to study the language of ancient civilizations and to give them a better knowledge of the debt of our own culture to that of Greece and Rome. We were honored at the state convention last year by having the state president, Carol Lake, chosen from our school. Carol also attended the national convention at Albuquerque, New Mexico. This year we were hosts to the state convention delegates in Coffeyville. Officers are Ronald Hamlin, consul; Donna Beam, scription; Glen Heaven, quaestor; Jane Kinsch, nuntia; and Miss Ethel Cabbell, sponsor.

The Girls' Athletic Association has as its objective promoting good sportsmanship, fellowship, and activity.

The members participate in at least one of three intramural sports--basketball, bowling, and volleyball.

Thirty-six members attended Playday at Pittsburg Oct. 8.

The first annual Christmas banquet was held Dec. 6.

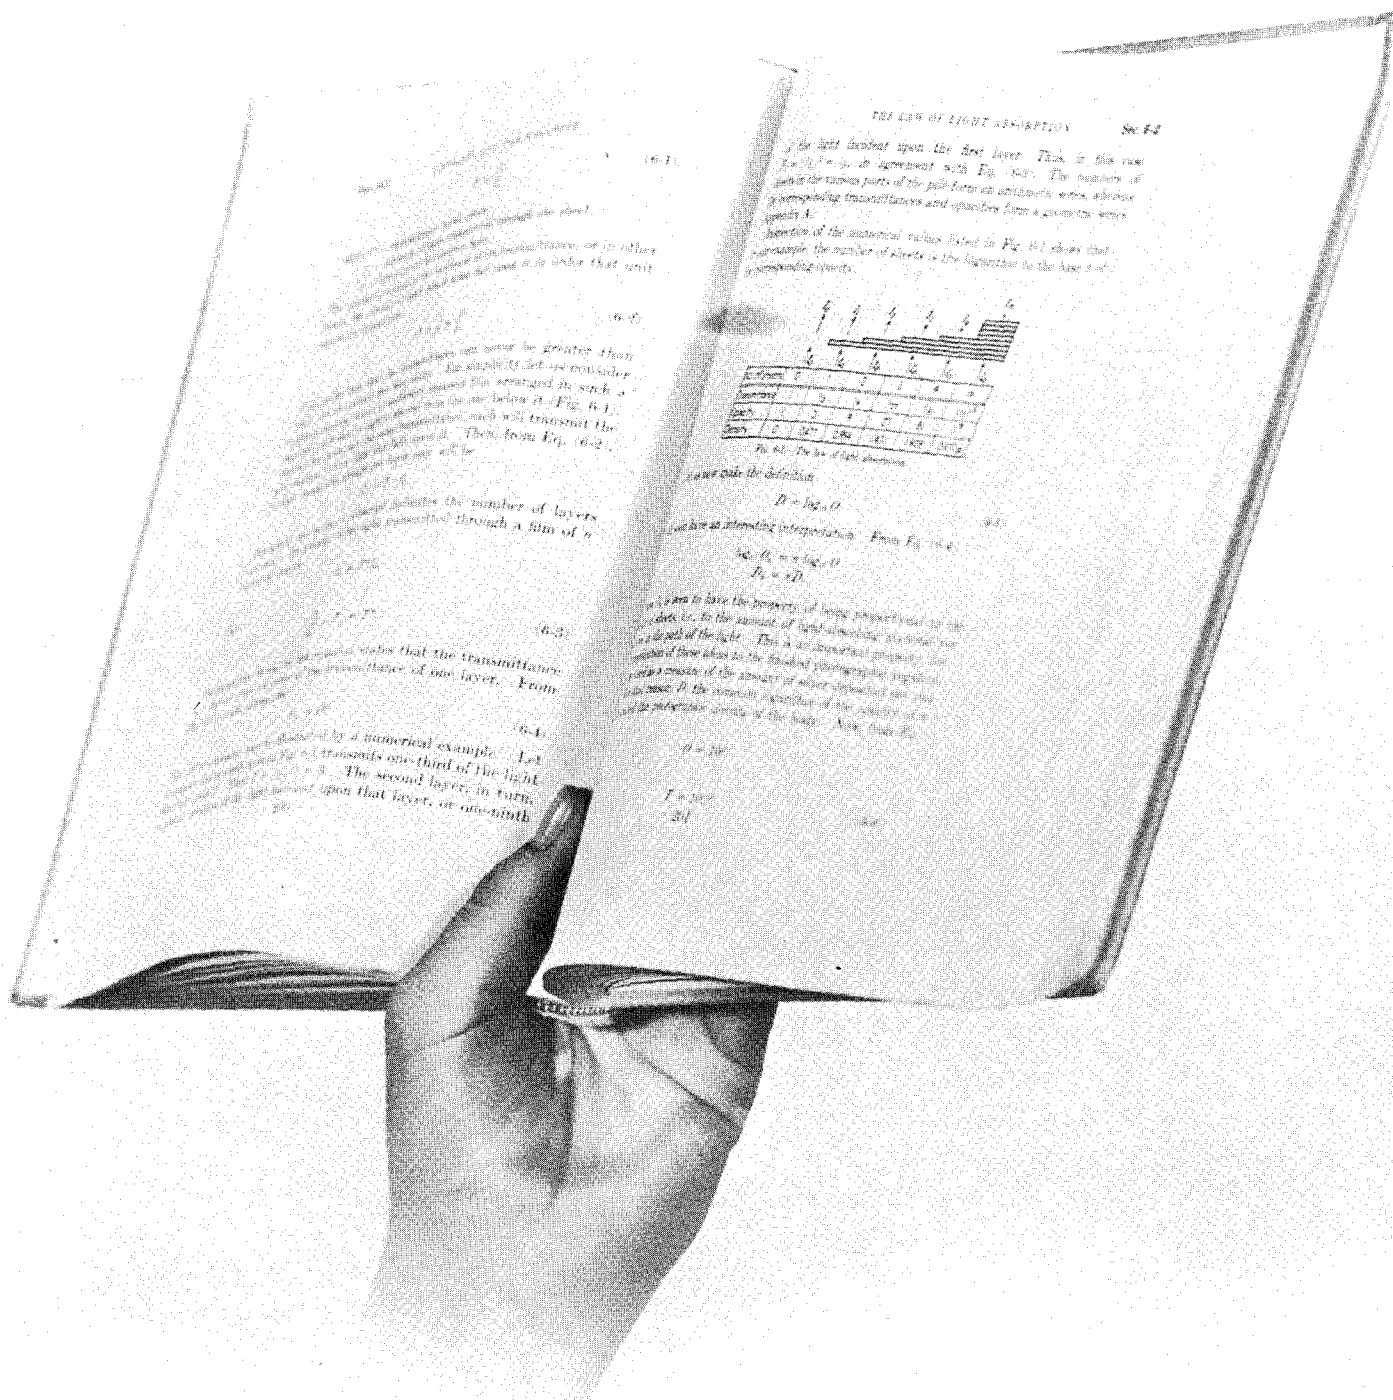

This year's officers are Nana Collins, President; Nancy Ford, Vice-President; Betty Hunt, Secretary-Treasurer; Karen Gump, Point Keeper; Jean Bever, Scrapbook Keeper; Llda Leming, Senior Board Member; and Donna Day, Sophomore Board Member.

Medals are presented to the members of the championship teams for each sport.

The championship basketball team was captained by Donna Day. The winning bowling captain was Virginia Miller.

THE LAW OF LIGHT ABSORPTION Sec. 6.2

If the light incident upon the first layer. Then, in this case $n = 1$, in agreement with Eq. (6.1). The numbers of parts in the various parts of the pile form an arithmetic series, whereas corresponding transmittances and opacities form a geometric series.

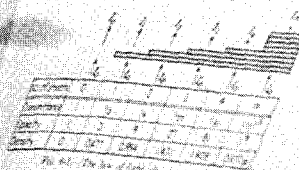

Fig. 6.1. The law of light absorption.

Let us take the definition

$$D = \log_{10} I$$

as an interesting interpretation. From Eq. (6.1)

$$I = I_0 e^{-\alpha x}$$

$$D = \alpha x / 2.303$$

It is seen to have the property of being proportional to the thickness, i.e., to the amount of light-absorbing material in the path of the light. This is an important property, and it is the reason why the thickness of a photographic negative is a measure of the amount of silver deposited upon it. In other words, if the constant α is the same for all the photographic materials of the same thickness, then the law

$$D = \alpha x$$

$$I = I_0 e^{-\alpha x}$$

$$D = \alpha x$$

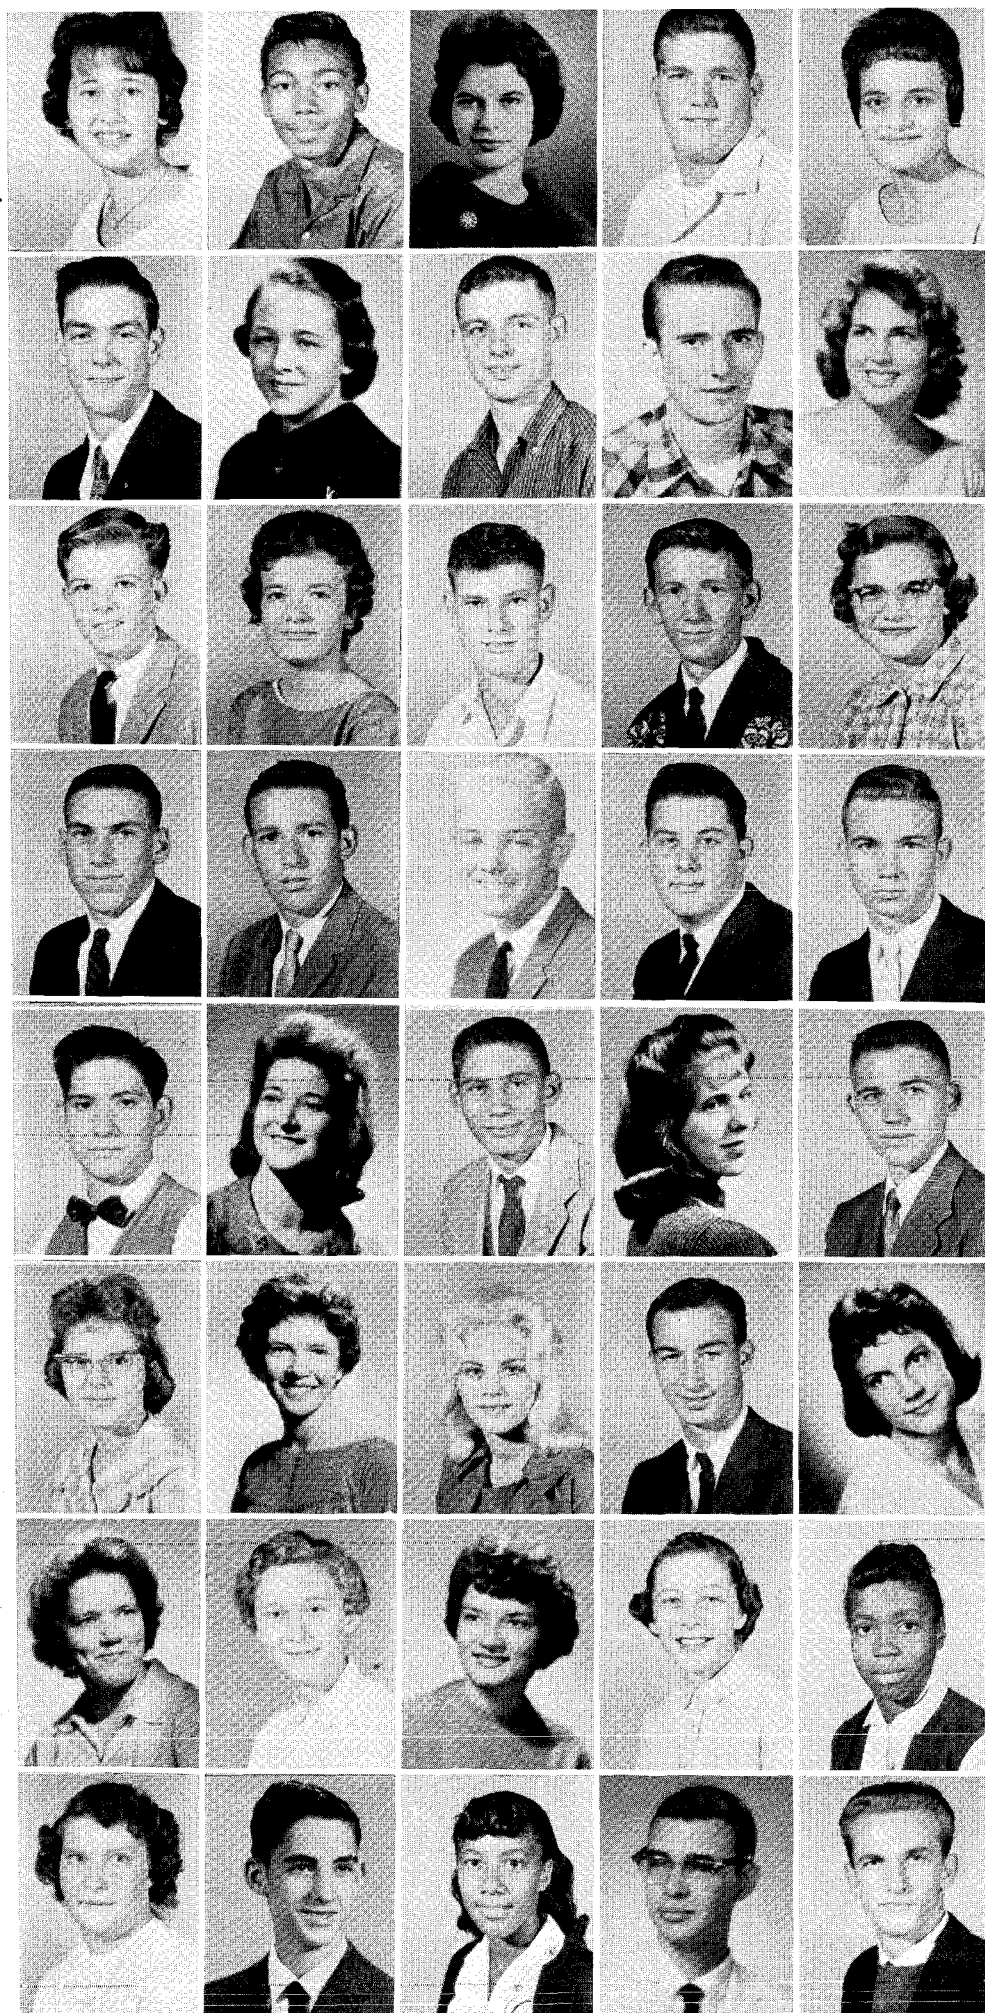

transmittance of one layer. From

$$T = I/I_0$$

we can see that the transmittance of a film of n layers is T^n . Let us illustrate this by a numerical example. Let the transmittance of one layer be $T = 0.75$. The second layer, in turn, transmits only $0.75 \times 0.75 = 0.56$ of the light incident upon that layer, or one-ninth

Band

One of the largest bands in the history of Field Kindley was led by Drum Major Kenneth Hop- pock under the direction of Harvey Lewis. The group took part in many local and out-of-town activities, which included football and basketball game performances, football and basketball coronations, and the K. U. Band Day event at Lawrence, Kansas. The band appeared at all of the pep assemblies throughout the year. Participation in all of these affairs added a great deal to the success and color of the year. For late activities check the last page.

The officers for this year's unit were: President, Hal Durr; Vice-President, Terry Carter; and Secretary-Treasurer, Mary Lou Lewis.

The 1960 - 1961 Field Kindley Orchestra has completed another year of making beautiful music for C.H.S. ers. The group is composed of 31 pieces under the supervision of Mr. Harvey Lewis. They met fourth hour this year.

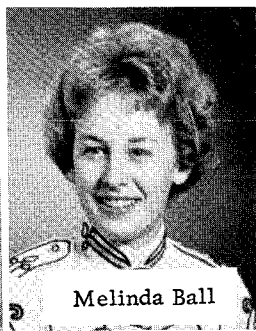

Among their many activities the musicians traveled to Chanute for the S.E.K. Orchestra Festival, played for the Christmas, Thanksgiving, and Easter assemblies, and took part in providing music for Kavalkade.

The 27th Field Kindley Drum and Bugle Corps got under way in June of 1960. Thanks to many long hours of practicing, and with the patience of the director, Harvey Lewis, the corps was ready to perform first for the rodeo parade, then the football drills, the basketball drill, and before their most critical audience, the alumni, on Dec. 28, 1960. "Climb Every Mountain" was the theme for this year's banquet at which Miss Dolly Blackett was made the new drum major for 1961-62.

Over all, this was a worthwhile year for the drum Corps, and its members will always remember the fears, tears, and cheers which all came hand in hand to make the corps one of the most successful.

Robed Choir

As the season ended for the Robed Choir this year, they can look back with pride upon their record of successful performances. The first performance was at the Thanksgiving service held at the Emmanuel Baptist Church. This was followed by a radio performance over KGGF.

The Christmas assembly was one of the most original and interesting pageants that was ever held in Field Kindley Auditorium.

The choir's important part in Kindley Kavalkade will long be remembered by the choir and the audience. The choir also sang at the District Music Festival.

The Madrigals

The Madrigals, a select singing group, are chosen from members of Robed Choir.

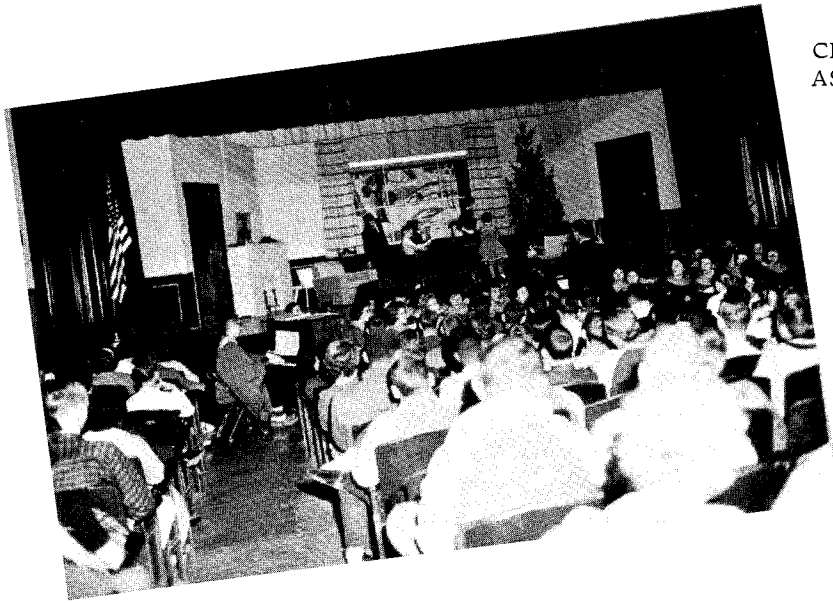

The group has appeared in Kavalkade and performed for several civic groups. They also traveled to Pittsburg and Emporia for the district and state contests.

F.F.A.

There were 40 members enrolled in the F. F. A. this year. The officers were president, Jim Bever; vice-president, Bob Templer; secretary, Tony Kirk; treasurer, Jim Wishall; reporter, Archie Waltrip; and sentinel, Jim Enloe.

Sixteen boys entered livestock in this year's state fair. Among those who brought home superior ribbons for their livestock were these: Dairy Cattle--Reserve Jr. Champion Guernsey, Harold Uppendahl; Senior yearling Ayrshire, Fred Mueller; Hogs--Spotted Poland China Barrow, Allan Roper; Sheep--Champion and Reserve Champion Montadale Ewe and 1st place Montadale Lamb, Tim Harris.

This year, unlike previous years, the Coffeyville Chapter did not attend the National F. F. A. Convention held in Kansas City, Missouri. Instead they traveled to the Tulsa State Fair. The chapter has similar plans for the next few years.

The 12th annual Parent and Son Banquet was held February 27 at Ted's Grill. The awards for judging were presented to those boys having sufficient point totals to merit these awards.

Debate

Rich Widmer, Russell Mehl, Robert Sullivan, Paul Hodge.

One of the best win-loss debate records for six experienced debaters was attained by the 1960-61 debate squad. A record of 139 wins against only 49 losses made a very successful season for the ton-questers.

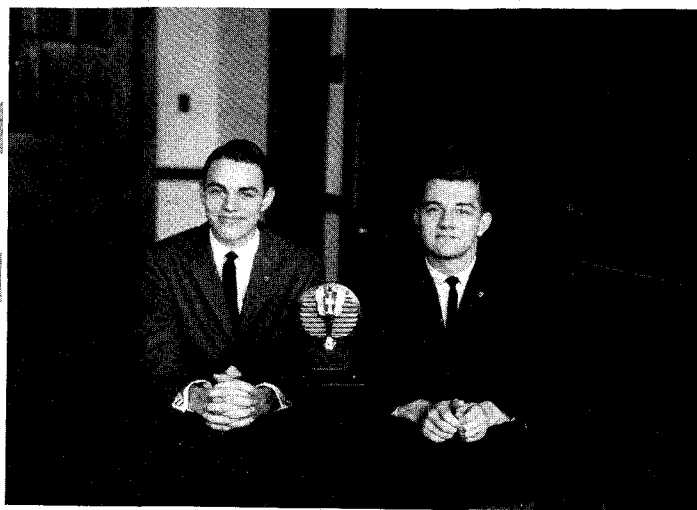

The squad attended five regular tournaments at Shawnee Mission East, Hutchinson, Topeka, Lawrence, and Wyandotte. Closing the season the talkers competed in the district tourney at Winfield.

Judy Donovan, Janice Bracher, Celia Long, Roger Williford, and Richard Pyle won a plaque for the best all-school record at the Columbus Novice Invitational. This win was followed by a third-place trophy from Lawrence that was won for CHS by Fred Smoot and Gene Harrison.

The four-man team of Robert Sullivan, Paul Hodge, Richard Widmer, and Russell Mehl talked their ways to a third-place trophy at the Wyandotte tournament with a 11-1 win-loss record. This foursome also obtained third place at the district tourney at Winfield, narrowly missing a chance to participate in state competition by one split decision.

Paul Hodge maintained high speaker points for the squad and was closely followed by Richard Widmer, Robert Sullivan, and Fred Smoot. Next year's squad will boast four returning lettermen.
