Collierville Schools Technology Department

## Summer Fun

- **Bookmarks** - Convert all those bookmarks to an online service like [Symbaloo](#) or [Draggo](#). This makes finding your bookmarks and sharing sites so much easier.
- **Yosemite (OS 10.10)** - Get to know the latest operating system [here](#).
- **Organize your Mac**- You can change the folder icons by following this [tutorial](#), making it easier to find your files. Find neat folder icons [here](#).

## Are you ready for TNReady?

- TN Ready [Information](#) from TNDOE.
- TNReady [Blueprints](#) for each grade level 3- HS in both ELA and Math.
- TNReady [iTunes training videos/collections](#).

## Summer Laptop/iPad Care

- **Laptop/iPad in need of repair?** - Contact your STS or Technology (see below) to arrange for repair. \*Do **NOT** take your laptop to the Apple store for repair.
- **Technology Contact Info**- Lisa Higgins or Zack Gilbrech @ 414-9852, Technology Office at Collierville Elementary
- **Summer Care Tips:**
  - Don't leave your laptop/iPad in a hot car.
  - Keep drinks/food away from your laptop/iPad to avoid spills and damage.
  - Shut down your laptop/iPad regularly.
  - Run software updates (except Java).
  - Delete old files and back up your laptop.

District Support- Lisa Higgins, Zack Gilbrech, Sharie Lengel;
