## Cold Weather

These last few days have been very cold with high wind chills. It is imperative that children are properly dressed for this weather. We have seen children arriving to school with just a sweater or shorts. When children are not properly dressed for this weather, they could suffer from frost bite and hypothermia. These are dangerous conditions that we want to help protect your children from. Have them wear multiple layers, jackets, hat, and gloves.

If you have children that are in need of warm clothing, please don't hesitate to call the office or speak with your Childs teacher.
