CURRENT EVENT REVIEW

Directions: Select a current event article that is related to history (you can be quite creative with this). If you are unsure about your article, see me before completing your review.

Headline: Identify the headline and source of the article

Summary: Write a one-paragraph summary of the article (who, what, where, when, why)

Review: Write a one-paragraph review/reaction of the article

- Identify **at least** two concepts/ideas from class that relate to this article
- Explain your opinion on the issue related to this article; use evidence to support your opinion based on information you have learned in class if possible
- Turn in a copy of the article with this rubric

Conventions: Spelling/grammar mistakes are minimal

Project is considered "proficient" if all requirements are met at a satisfactory level

____ Proficient: 100 Points

____ Revise and Resubmit
