

## NHS MONTHLY HOURS INFORMATION SHEET

Guidelines for independent project:

Person completing project cannot be paid in any way.

Work for a family member, working in another building or not, does not count toward the two mandatory hours.

Volunteer hours cannot be completed during the GHS school day; no getting out of class to complete hours.

Service hours cannot be claimed for NHS that were a requirement for Student Council, RAK, any athletic team, or that were hours gained from a group project for NHS. In other words, no double-dipping.
