## **Windlake Elementary- Character Counts Award**

- Awarded every month
- Character Counts focuses our student's character development on one word each month (such as "respect," "empathy," "bravery," etc.) in the classroom, the cafeteria, the hallways and the playground. The word is woven into curriculum at all ages.
- Teachers at each grade level nominate one student each month who exemplifies the current word.
- Nominees' photos are posted on the bulletin board in our main hallway, and they receive a special recognition certificate and a quarterly donut breakfast with the school counselor (at Windlake Elementary) or a pizza party (at Windlake Academy).
