Principal's Message

Harvest Park, a California Distinguished Middle School in 2001 and 2005, and a 2002 National Blue Ribbon School, is a place where all staff members work to maximize the potential, achievement, and personal growth of each student. Harvest Park became a National School of Character in 2005. The Harvest Park Academic Performance Index (API) continues to rise. In 2009, the API rose 11 points from 922 to 933. This growth can be attributed to staff development in standards alignment, professional learning communities, Character Education, the highly qualified staff, very supportive parents and hardworking students. The staff at Harvest Park Middle School, together with the parents of our students, strive to maintain a dynamic program that will continue to have the highest expectations for achievement and personal growth for its students. We are proud of the quality programs that we are able to offer our students and welcome the comments of parents as we engage in the continual process to improve those programs. At Harvest Park, it is evident that, "Kids Come First."

Mission Statement

Kids Come First at Harvest Park Middle School where teachers, students, staff and community collaborate to educate the whole child.

Harvest Park Middle School will continue to build on its tradition of providing a smooth transition from elementary to high school. Our supportive school community will guide students to become lifelong, self-motivated learners and leaders who are productive, responsible members of society. The unique needs of our students will be addressed by a wide variety of innovative programs and teaching styles. As a learning community we are committed to developing the whole child by providing a safe environment focusing on academics, arts, attitude, athletics, and activities. The highest expectations for academic success, technological expertise, and moral and civic responsibility will be required of our students as our standards-based curricula prepare them to compete and thrive in a diverse and changing global society.

At Harvest Park Middle School, we believe:

1. All students are capable of learning and want to be successful.
2. Students, staff and parents must be both educators and learners who value education as a lifelong process.
3. Education requires a shared partnership with ongoing communication among students, parents, the community and educators.
4. Student learning is maximized when students and their families are actively involved in the educational process.
5. It is important to promote academic excellence and accountability throughout our programs as our students prepare for the workplace and the changing world.
6. It is important to follow the Patriot Path by promoting Compassion, Honesty, Responsibility, Respect, Integrity and Self-Discipline (CHRRIS).
7. We must provide a positive and nurturing environment for students that foster a mutual respect for all individuals and their differences.
8. Analyzing student assessments helps drive

School Profile

Harvest Park Middle School is located in the central region of Pleasanton and serves students in grades six through eight following a traditional calendar. At the beginning of the 2009-10 school year, 1157 students were enrolled, including 10% in special education, 2% qualifying for English Language Learner support, and 2% qualifying for free or reduced price lunch. Harvest Park Middle School achieved a 2010 Academic Performance Index (API) score of 933.

Student Enrollment by Ethnicity / Grade Level 2009-10			
Ethnic Group	%	Grade Level	#
African-Amer.	1.99 %	Grade 6	377
Amer. Indian or Alaskan Native	0.43 %	Grade 7	379
Asian	29.39 %	Grade 8	401
Filipino	2.33 %		
Hisp. or Latino	6.57 %		
Pacific Islander	0.43 %		
Caucasian	57.30 %		
Multi-Racial	0.26 %		
Total Enrollment			1,157

Student Achievement

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf.

Physical Fitness

The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. The 2009-10 physical fitness test result data was not available at the time of production of this report.

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2007	2008	2009

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2009-10 AYP cycle, elementary and middle schools must achieve a 56.8% or higher proficiency rate in all subgroup populations for

English/Language Arts and 58% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 680 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2009-10		
<i>Did the school and district meet or exceed 2010 AYP performance criteria in each of the areas listed below?</i>

Math	Yes	Yes
<i>Percent Proficient</i>		
Language Arts	Yes	Yes
Math	No	No
API Score	Yes	Yes
Graduation Rate	N/A	Yes

Reported data based upon performance of all subgroups for each of the areas listed

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2009-10, Harvest Park Middle School did not participate in the Title I program and is therefore not required to comply with program mandates.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school marquee, school newsletters, the school website, teacher websites, eConnection, Coffee with the Principal, and bi-weekly electronic newsletters. Contact the Principal or the school office at (925) 426-4444 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Harvest Park Middle School's original facilities were built in 1968. Ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Garden enhancement
- Construction of a greenhouse

Every morning before school begins, the custodian inspects the facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and three evening custodians are assigned to Harvest Park Middle School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Office area cleaning
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Event setup/cleanup

The principal communicates with the custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Harvest Park Middle School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2009-10 school year, Harvest Park Middle School received \$4,300 in deferred maintenance funds for the repair and/or maintenance of:

- Roofing
- Other Systems

Facilities Inspection

The district's maintenance department inspects Harvest Park Middle School on an annual basis in accordance with Education Code §17592.72(c)(1). Harvest Park Middle School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Thursday, September

16, 2010. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2009-10, all restrooms were fully functional and available for student use.

Rating Description

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators, teachers, and campus supervisors patrol the campus, entrance areas, and designated common areas. Administrators and campus supervisors monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, administrators, teachers, and campus supervisors monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Harvest Park Middle School is a closed campus. During school hours, all visitors must sign in at

the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Harvest Park Middle School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan will be reviewed, updated, and discussed with school staff in October 2010.

Classroom Environment

Discipline & Climate for Learning

Harvest Park Middle School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	HPMS		
	07-08	08-09	09-10
Suspensions (#)	42	62	67
Suspensions (%)	3.72 %	5.38 %	5.79 %
Expulsions (#)	1	0	7
Expulsions (%)	0.09 %	0.00 %	0.61 %
	PUSD Middle Schools		
	07-08	08-09	09-10
Suspensions (#)	161	235	179
Suspensions (%)	4.55 %	6.58 %	5.07 %
Expulsions (#)	6	1	5
Expulsions (%)	0.17 %	0.03 %	0.14 %

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for 2 days and then suspended a month later for three days is counted as two cases of suspension.

Teaching Load

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Teaching Load Distribution Departmentalized Instruction

2009-10 data not available at the time of production of this report

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Harvest Park Middle School revolve around the California State Content Standards and Frameworks. During the 2009-10 school year, Harvest Park Middle School held three staff development days devoted to:

- Data Analysis
- Instructional Strategies
- Interventions
- Classroom Management
- Motivating Students
- Student Stress
- Professional Learning Communities
- Vocabulary
- Dealing with Difficult People
- Technology
- AVID (Advancement Via Individual Determination)
- 40 Developmental Assets in your Classroom
- Achievement Gap
- Service Learning and Beyond

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Harvest Park Middle School supports ongoing professional growth throughout the year on minimum days. Teachers met in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. During the 2009-10 school year, Harvest Park Middle School's teachers attended the following events hosted by the Pleasanton Unified School District:

- Technology
- Strategies and Resources for Arts Integration
- Collaborative Curriculum Design
- Serving Students with ASD in the Schools

- Assessment of Language and Communication in Culturally and Linguistically Diverse (CLD) Populations

Harvest Park Middle School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Harvest Park Middle School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 14, 2010, the Pleasanton Unified School District's Board of Trustees held a public hearing to the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution 20010-2011.02 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2010-11 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

The textbooks and instructional materials used by the school are the most recently SBE adopted instructional materials.

School Leadership

The administrative team is comprised of the principal and two vice principals, who work closely with the leadership team, teachers, the counselor, and school staff to provide a standards-based instructional program. Principal Ken Rocha is responsible for the day-to-day operations of the school and overall instructional program. The principal delegates supervisory responsibilities to the vice principals based upon individual strengths and expertise. The vice principals take a prominent role in managing student discipline, student activities, school facilities, school and student safety, and class scheduling. Also coordinating efforts with the Principal is the Leadership Team, comprised of the principal, vice principals, counselor, and department chairs. The Leadership Team meets regularly throughout the year to discuss instructional programs, staff development needs, and student achievement.

Professional Staff

Counseling & Support Staff

Harvest Park Middle School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Harvest Park Middle School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2009-10		
	No. of Staff	FTE
Counselor	3	2.5

Psychologist	1	0.6
Speech/Language/Hearing Specialist	1	1.0

* as needed
Counselor-to-Student Ratio: 1:386
FTE = Full-Time Equivalent

Teacher Assignment

During the 2009-10 school year, Harvest Park Middle School had 54 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2009-10		
	Taught by NCLB-Compliant Teachers	Taught by non-NCLB-Compliant Teachers
Harvest Park Middle School	94.1 %	5.9 %

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2008-09 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2008-09		
	PUSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$55,646	\$41,155
Mid-Range Teacher Salary	\$80,752	\$65,379
Highest Teacher Salary	\$98,045	\$85,049
Superintendent Salary	\$229,952	\$194,802
Average Principal Salaries:		
Middle School	\$135,342	\$111,487
Percentage of General Fund Expenditures for:		
Teacher Salaries	43.2%	39.9%
Administrative Salaries	5.2%	5.1%

Expenditures Per Student

For the 2008-09 school year, Pleasanton Unified School District spent an average of \$8,453 of total general funds to educate each student (based on 2008-09 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Pleasanton Unified School District receives state and federal categorical funding for special programs. For the 2008-09 school year, the district received categorical, special education, and support programs funds for:

- ARRA: State Fiscal Stabilization Fund
- CA High School Exit Examination
- CA School-Age Families Education Program (Cal-SAFE)
- California Instructional School Garden
- California Peer Assistance & Review Program for Teachers (CPARP)
- Economic Impact Aid (EIA)
- English Language Acquisition Program, Teacher Training & Student Assistance
- Gifted & Talented Education (GATE)
- Instructional Materials
- K-12 Service Learning Initiative (CalServe)
- Lottery: Instructional Materials
- Professional Development Block Grant
- Pupil Retention Block Grant
- Regional Occupation Centers and Programs (ROC/P)
- School & Library Improvement Block Grant
- School Safety & Violence Prevention, Grades 8-12
- Special Education
- Supplemental School Counseling Program
- Teacher Credentialing Block Grant
- Teacher Recruitment/Incentives
- Tenth Grade Counseling
- Title I
- Title II
- Title III
- Title IV

- Tobacco-Use Prevention Education
- Transportation
- Transportation: Special Education
- Vocational Programs
