# CLASSICAL ROME - Chapter 11 Primary Source Questions

Read *Sources from the Past: Tacitus on Corruption in the Early Roman Empire*, on page 270 of your textbook.

1. What does Tacitus mean by “the rising tide of flattery”?
2. What techniques does Augustus use to gain popular support while at the same time whittling away at Roman rights?
3. What problems existed with this technique after Augustus’s death?

Examine the **Marble Relief sculpture of Roman Temple Construction**, on page 258 of your textbook.

4. What elements of Roman culture are evidence in this work? Be specific with your in-depth analysis. Do not just list
