School Lunch and After School Fees

We have begun to call parents concerning any fees due for school lunch or the after school programs. In regards to the after school program, starting Monday, April 13, students of any family that has not established a payment plan or owes a significant amount to the school will not be allowed to stay after school. These students must either be picked up at 2:25 or go home on the bus.

For parents with school lunch fees, we will be in contact with you soon. We are here to work with you. Please feel free to contact us if you have any questions.

School Uniform

School Uniform

Dear parents,

Aurora Charter School strives to provide safe, secure and bully-free learning environments for all students in school buildings, on school grounds, school buses and at school-sponsored activities. ACS currently holds uniform policy. This policy is in place to provide a distraction-free environment that is conducive to learning.

We have sent several reminders home regarding uniform requirements and acceptable sneakers. Even though we are nearing the end of the school year, every student is expected to wear their uniform and acceptable sneakers, no exceptions.

1st Uniform violation- Student will receive a warning. The parent will receive a note notifying them of the uniform violation, this note along with a parent signature must be returned the next day.

2nd Uniform violation- Parent will be called and are expected to bring their child's uniform to school. The child will be waiting in the office until the parent arrives.

3rd Uniform violation- Parents are again expected to bring their child's uniform to school and the student will spend the entire day completing school work in the office.

Any additional violations may require but are not limited to a meeting with the Executive Director.

Respectfully,

Matthew Cisewski
Executive Director
