SIMILES

Similes compare two things that are not alike using the words *like* or *as*. Similes can help you understand how something looks or sounds. They can also provide context clues to help you figure out the meaning of unknown words.

Directions: Use the simile in each sentence as a context clue to help you define the boldfaced word.

1. Through all the turmoil, she remained as **serene** as a cloudless sky on a lazy summer afternoon.

2. Like a palace guard standing stiff and silent, the **stoic** child showed no trace of emotion.

3. As **shrewd** as a fox, she could talk her way out of even the most difficult situations.

4. The **spoiled** child is as **temperamental** as an old car on a cold day.

5. Her **lilting** voice was as light and clear as the tinkling of a bell.

6. The teenager had a **voracious** appetite, like a bear after its long winter sleep.

7. The unused room had the same **fetid** smell as an old running shoe.
