**The Keiki Program is a  
parent and child  
interaction program which  
promotes kindergarten  
readiness.**

This program is for children  
who will be attending  
kindergarten in August  
2015 at Mililani Waena  
Elementary School.

It is designed to help children  
develop readiness to be able  
to meet the Common Core  
Standards, as well as  
incorporate socialization skills  
and familiarization with routines  
and school surroundings. There  
is a voluntary donation of  
\$10.00 to help with the cost of  
supplies. The Keiki Program runs  
from January to May 2015.

**To Register**

1. Applications are in the school office.
2. Complete it and return it to the office no later than Friday, December 12, 2014.
3. Also submit a student health record from your child's doctor. Your child needs a TB test to have been done within the past year and it should be noted on the health record.

Space is limited and acceptance is based on a first come-first serve basis. If your child is accepted into the program, I will contact you. If you have any questions, please call 627-7300.
