Minutes

Item	Actions/Follow up
Welcome, introductions, review agenda, additions	All schools except Hearst and Pleasanton Middle had a representative at the meeting.
Overview of Common Core State Standards (CCSS)	Jane presented some information on-line from the California Department of Education website. Due to technical difficulties, we were not able to share examples of the new assessments on the Smarter Balanced Assessment Consortium (SBAC) website.
Site sharing	Several schools shared about program ideas and services.
Feedback to the District	Committee members requested information at the May meeting regarding an update on budgets and plans for summer school this year.
Other items and items for next meeting agenda	There were no additional items. In addition to the requests listed above, at the May meeting the R-30 and SNOR report information will be held.
