Homework Policy

Students are given homework on a daily basis. All work is to be done in pencil with proper heading. All assignments are expected to be completed by the due date. Students are expected to make up all missed assignments if absent. **NO** late work will be accepted, unless the student was absent.

Absences

It is the student's responsibility to determine homework/class work and tests that have been missed and update journal with required notes. Absent students must complete missed homework within 2 days of the absence.
