

## Third Trimester Book Review Mystery

This trimester we will be reading a "**Mystery**" book for our Book Review. A **Mystery** is a story dealing with the solution of a problem or a crime. In a well-written mystery, the author presents a series of facts, or clues, that lead to the solution.

Please choose a mystery book of your choice and reading level, and share it with me by Friday, April 20th. Let me know if you have any questions or need further assistance.

After you have finished reading your mystery, please read below and then complete the attached papers. Book Review Projects will be due Wednesday, May 16th. Oral Presentations will take place in class the following week.

### Here's the Scoop....

1. Complete each ice cream scoop using complete sentences.
2. Use the pattern on the second sheet to trace and cut out various "flavors of ice cream" on different colors of construction paper. You may decorate these scoops any way you choose. Be creative!
3. Then cut out each scoop you have written on and glue it onto one of the larger "flavors" you have already cut out.
4. Glue scoop 1 onto the cone (starting at the bottom).
5. Then glue scoop 2 on top of scoop 1, scoop 3 on top of scoop 2, scoop 4 on top of scoop 3, etc.
6. Continue with the remaining scoops until you have "All the Scoop" about your mystery.

Trace 5 in assorted flavors.

"Flavors of Ice Cream"
