

**FIND THE AREA OF EACH FIGURE:**

Determine patterns and techniques using Postulates 25 & 26

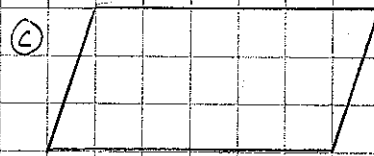

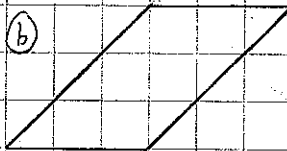

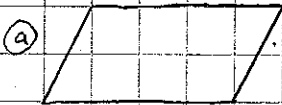

① Rectangles and Squares

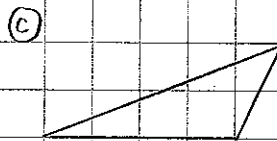

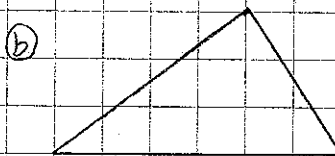

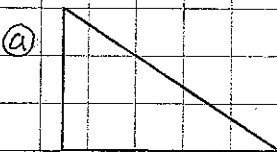

Scale:

2 units

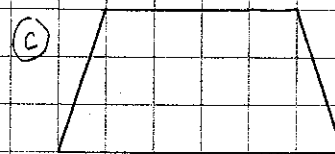

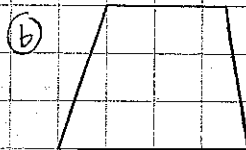

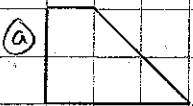

② Parallelograms

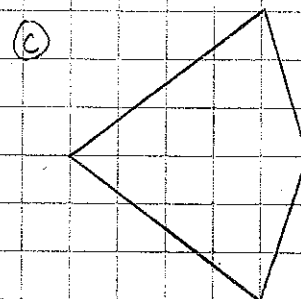

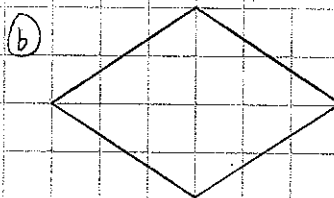

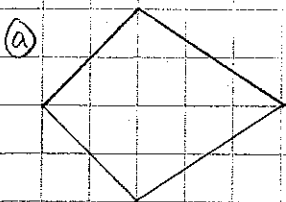

③ Triangles

④ Trapezoids

⑤ Kites and Rhombi

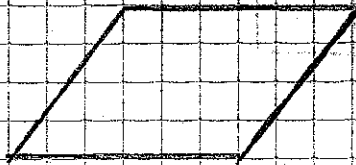

Use Postulates 25 and 26 to show how to find the area of each. Then find each area, using the Postulates and patterns as well as the Scale: 3 units
