Thessalonians 5:16-18*

Welcome! We are so excited to have your little one become a "Little Knight for Christ" here at Christ Lutheran. We truly consider it an honor and privilege to partner with your family. We believe that our preschool serves as an important part of the total purpose and goal of Christ Lutheran Church in teaching the faith through Bible stories, and other curriculum areas. The preschool aims to assist families in helping their children come to know Jesus Christ as their personal Savior and to grow in faith and service. We truly believe that we are a place where faith, academics and family come together!

We are a fully accredited school. The preschool program is accredited by NLSA (National Lutheran Schools Association). Our highly qualified staff works hard to create a balance between early learning/kindergarten preparedness and developmentally appropriate practice! This means that you will often see hands-on learning and group work for subjects such as reading and math. Your child will have opportunities to learn to read and write, and will have experiences in science and social studies. Your little one may even get dirty from time to time as he or she learns to explore with his/her senses. Although we believe in providing a developmental education for your child, we also believe that it is our job to help prepare your child for elementary school. To support that goal, we use programs such as Handwriting Without Tears and ZooPhonics as part of our regular curriculum. Our theme-based, developmental approach to education ensures that your child will grow physically, spiritually, socially, and academically.

It is truly a blessing to partner with your family, and we look forward to sharing in many wonderful experiences with you and your child(ren). We are excited to watch your "Little Knight" grow with us this year, and pray that you will feel blessed during your time with us.

Again, welcome to the family!

God's Blessings,

Mrs. Kristie Flohra
Preschool Director
