What's in *your* bag?

Please fill a small bag with five to seven special items that say something important about you, and bring it to share in class on _____. Please do not bring anything of great value as things can get broken in transit. You can take a picture if you really want to show the class a fragile or valuable item.

The following are REQUIRED items to put in your bag:

- A picture or name of a person who you consider a role model.
- A quote, poem, religious reference (etc…) that has inspired you.
- One word that best describes how you feel (you may use one from the "How are you feeling today?" handout if you like).

The following are suggested items to put in your bag:

- Name or picture of your favorite cartoon character.
- Something you found or have from a summer vacation (or any vacation).
- Something in your favorite color.
- Wrapper of your favorite snack.
- The best book you've read.
- Something that shows your favorite sport or hobby.

Use your imagination to come up with 5 items small enough to fit in the bag. Have fun! I look forward to learning more about you. Please hand this sheet to me before you present your bag.
