

2013-2014 SPRING BREAK ASSIGNMENT

You are to complete the following:

- “Differentiation” Packet
 - Complete the Multiple Choice Questions in the packet and show work when necessary
 - Complete the FRQ on a separate sheet of paper and label “Differentiation FRQ”
- “Limits and Their Properties” Packet
 - Complete the Multiple Choice Questions in the packet and show work when necessary
 - Complete the FRQ on a separate sheet of paper and label “Limits FRQ”
- “Applications of Derivatives” Packet
 - Complete the Multiple Choice Questions in the packet and show work when necessary
 - Complete the FRQ on a separate sheet of paper and label “Apps of Derivatives FRQ”
- Packet of Miscellaneous Worksheets
- Use the posted solutions online to “beef up” the “When You See...” Worksheet and Complete the last section.
 - This is a really really good study guide for you. I would put some time into reviewing topics you don’t remember.
- The packet of colored papers has nothing for you to complete. This is a compilation of really good study resources.

Don’t forget AP Review Day: Saturday May 3rd at 8:00 am

(I am thinking about making another review day where we could do a complete practice test, so let me know if you would be interested. Possible date: Saturday April 26th)
