

Board Member Compensation and Expenses/Insurance

Board members shall receive no compensation for their services. However, upon submitting vouchers and supporting bills for expenses incurred in carrying out specific services previously authorized by the Board, Board members may be reimbursed from district funds in accordance with Board policy on expenses reimbursements.

The Board will carry a broad form of indemnity insurance covering the Board and individual members to protect them from damages which they might incur or become liable for as a result of the performance of their official duties in behalf of the school district.
