11/4 – pg 8-9 – Crucible Act 1 Analysis Questions

Work together in your groups to find several traits and evidence for each character. Complete the charts.

Then answer pg 190 Questions 1-7 all parts

1. **I do not believe the accusations made at the end of ACT 1.**
Parris discovers the girls dancing in the forest with Tituba. Then Betty and Ruth pretend they cannot wake. Reverend Hale comes to Salem to find out if Witches and The Devil are the cause of the girls' strange illness. The movie shows us that Tituba and the girls were the ones practicing witchcraft. Tituba has to accuse others because she will be hung if she doesn't. The other girls also want to make sure they don't get into trouble for dancing and witchcraft, so they accuse others.
2. Tituba quickly admits to witchcraft to save her own life.
3. **Abigail** is a manipulating liar who will say anything to get what she wants. She tries to cast a witch spell by killing a chicken in the forest. She is defiant and lies and argues with Rev. Parris. She calls Elizabeth the liar and calls weak. She tries to seduce Proctor. She accuses other women of being Witches and claims she wants to come to Jesus.

4. I believe John Proctor is not an admirable character because he's not caring. When he says, "I will cut off my own hand before I reach out for you again." He's also lustful and cheats on his wife. Abigail says, "I know you sweated like a stallion when I came near."

John Proctor is not admirable because when Abigail kissed him, he stood there and let her do it.
