Career Research

Directions: Choose three careers that you are interested in. Research these careers to find the answers to the following questions. When you have answered **every** question for **every** career (hint: you will have to use your own paper to complete this), choose the one that interests you the very most. Write a one page summary about this career, why it interests you so much, how you are going to accomplish it, and why you chose it.

1. What is the career?
2. What kinds of tasks will you be asked to perform? Describe the career.
3. What are the working conditions?
4. What kind of education, training, and/or skills are needed?
5. What are the advancement opportunities in this field of work?
6. What is the job outlook?
7. What are the earnings?
8. Is it something that comes easy to you and difficult to others?
9. Would you enjoy doing this even if you did not get paid?
10. Does it make you happy? Are you proud of it?
11. Is it satisfying and fulfilling? Is it meaningful? Does it create self-worth?
12. Is it intellectually stimulating? Does it keep you challenged?
13. Does it go along with your values?
