

ANNUAL EDUCATION REPORT

2013

2014

Grandville Public Schools CUMMINGS ELEMENTARY

August, 2014

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2013-2014 educational progress for **Cummings Elementary**. The AER addresses the complex reporting information required by federal and state laws. **Cummings Elementary's** report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact **David Martini**, principal of **Cummings Elementary**, for assistance.

The AER is available for you to review electronically by visiting the following website <http://cu.gpsbulldogs.org> or you may review a copy in the school office at **Cummings Elementary**.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Cummings Elementary has not been given one of these labels.

Grandville Public Schools and Cummings Elementary received a 2013-2014 “yellow” Accountability Scorecard rating.

State law requires that we also report the following **additional information**:

ASSIGNING PUPILS TO THE SCHOOLS

Students are assigned to schools primarily based upon the concept of “neighborhood schools”. The district has only one middle and one high school so students are assigned to those buildings based on grade level. At the elementary level, the neighborhood school concept is the first criteria if room exists. If not, then building assignment is based upon space and proximity to the student’s home. Inter-district requests to change schools occur on a yearly basis and space is the number one priority. The second criteria is distance – does the district have a bus route that would allow the student to attend that school or does the parent agree to be responsible for transporting the student to the requested school.

SCHOOL IMPROVEMENT PLAN – CUMMINGS ELEMENTARY

Also available on district website

2013-2014	
Reading	
Goal	All students will be proficient in area of Reading .
Progress	All students continue to make progress in this area. Reading proficiency on the Fall 2013 MEAP is as follows: 3 rd grade – 73%; 4 th grade – 85%; 5 th grade – 92%; 6 th grade – 82%. Those below grade level receive additional instruction and remediation.
Math	
Goal	All students will be proficient in the area of Math .
Progress	All students continue to make progress and show annual growth in math. Math proficiency on the Fall 2013 MEAP is as follows: 3 rd grade – 35%; 4 th grade – 56%; 5 th grade – 56%; 6 th grade – 65%. Teachers and students worked to target weaknesses in the area of fractions with additional in-class, hands-on activities and at home follow-up practice that involved parental support and involvement. Math has been made a priority focus area for our building and the district.
Writing	
Goal	All students will be proficient in the area of Writing .
Progress	Writing continues to be a focus area for necessary improvement. In the fall of 2013, 55% of students scored in the proficient range of the 4 th grade writing test. This is a continued focus from previous years. Teachers have targeted improvement through the integration of Lucy Calkins writing resources, renewed focus on effective instruction and increased opportunities for student writing with formative assessment and feedback.
2012-2013	
Goals	2012-2013 and 2013-2014 goals remain the same for Reading, Math, and Writing .
Reading Progress	All students continue to make progress in this area. Reading proficiency on the Fall 2012 MEAP is as follows: 3 rd grade – 81%; 4 th grade – 89%; 5 th grade – 83%; 6 th grade – 74%. Those below grade level receive additional instruction and remediation.
Math Progress	All students continue to make progress and show annual growth in math. Math proficiency on the Fall 2012 MEAP is as follows: 3 rd grade – 36%; 4 th grade – 59%; 5 th grade – 69%; 6 th grade – 54%. Teachers and students worked to target weaknesses in the area of fractions with additional in-class, hands-on activities and at home follow-up practice that involved parental support and involvement.
Writing Progress	Writing continues to be a focus area for necessary improvement. In the fall of 2012, 58% of students scored in the proficient range of the 4 th grade writing test. Of the 58% not scoring in the proficient range, all were in the <i>partially proficient</i> range and none scoring in the lowest, <i>not proficient</i> range. This is a continued focus and maintained success from previous years. Teachers have targeted improvement through the integration of Lucy Calkins writing resources, renewed focus on effective instruction and increased opportunities for student writing with formative assessment and feedback.

PARENTS ARE AN IMPORTANT PART OF OUR TEAM

Parents influence their children's education more than any teacher or school. Parent involvement can boost children's achievement. By taking an active role in our school, parents show their children that they are valued and that education is important. Children learn that parents and the school are a team, working together to help them succeed.

ADDITIONAL WAYS PARENTS CAN PARTICIPATE

Read to your child daily ... Listen to your child read daily ... Attend the Open House/Annual Meeting ... Attend Parent/Teacher Conferences ... Visit the Family Reading Experience ... Participate in field trips, class activities, projects, and our volunteer program ... Participate in workshops/informational meetings

SPECIALIZED SCHOOL

Specialized schools are those established by the district for a specific purpose and with specific criteria for admission, such as vocational or alternative high schools. Grandville Public Schools does not operate any "specialized" elementary schools.

CORE CURRICULUM

Each public school system in Michigan is obligated to identify core curriculum at elementary, middle and secondary school levels. The core academic curriculum defines learning outcomes to be achieved by all students, based on the State's core curriculum as defined in the Michigan Curriculum Framework. High performance core academic standards have been developed in the areas of mathematics, science, English Language Arts and social studies at the elementary, middle and secondary school levels. The standards have been developed by State committees and provide a K-12 clarity of focus and an alignment of skills and concepts. As a district, committees have worked collaboratively to review and revise district curriculum and ensure that materials are aligned with the state standards. Enrichments and extensions are continually being developed to go beyond the basic core. Materials and resources are frequently updated as revisions are made. We are currently in the process of transitioning to the Common Core Standards.

NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

Cummings Elementary

School Year	Number/Percent Attending		School Year	Number/Percent Attending	
	Fall 2013	Spring 2014		Fall 2012	Spring 2013
2013-2014	507/98	512/98	2012-2013	502/99	504/99

Grandville Public Schools has a proud tradition of excellence in student achievement, and our curriculum is designed to meet the needs of academically advanced students as well as those with unique learning needs. We strive to establish a strong connection between home and school for our students and their families. Together, we will continue to give our students the knowledge and resources needed for a successful future.

Sincerely,

David Martini, Principal
