A Message from the Dean/Principal

Thank you for your interest in University Academy Charter High School.

We are committed to academic excellence, personal growth, social development and parental involvement. It is with great excitement and anticipation that we await your enrollment application and make you a part of the University Academy Charter High School family.

MISSION

The mission of our school is based on the philosophy that everyone can make a contribution to the betterment of our world and that individuals working together can truly help to make a significant difference. It is also part of our mission to educate *every* student to become an academically successful student, a socially responsible citizen, and a lifelong learner. We do this by teaching the necessary knowledge and skills, and the appreciation of cultural diversity. UACHS fosters excellence, mutual respect, creativity, and the joy of learning, with an effective, caring, innovative staff, in partnership with home and the community.

Goals

- a challenging learning environment where students can achieve academic excellence
- a safe, nurturing environment that encourages students to develop and interact
- an environment where students develop confidence to take risks and set goals
- a commitment to the professional development of teachers, staff, and administrators
- a standard where students act responsibly and have respect for themselves, their school, and their community.
