# Clackamas Middle College College Extended Options (CEO)

The College Extended Options Program (CEO) offers students who have college readiness skills, rigorous and varied educational experiences with academic planning and financial support for tuition and books. Students complete an educational plan to help them obtain a specific college certificate or a two year college degree along with their high school diploma. The aforementioned philosophy is obtained through a collaboration with a community college to provide an individualized college experience for our students.

- The **CMC College Extended Options Program (CEO)** involves two important aspects with which it serves its students:

## **1. Student Progress and Tracking**

- Year to Year Goal Planning
- Academic Advising
- Specialized Support
- Updating CEO Student Educational Plans

## **2. Financial Support**

- Tuition stipend
- Book Purchasing/  
Checkout
  - Book stipend
