

Puzzle 3-3**Using Formulas***Let the Shoe Fit!*

The puzzle below contains six conversion formulas for buying shoes in other countries. Cut out each square carefully and match each pair of formulas so that one equation is solved for U and the other equation is transformed to solve for S . When you are finished, all the puzzle pieces should join together so that the pairs of transformed equations are in boxes directly next to each other.

The conversion formulas are for:

Europe Mexico Japan UK Australia Korea

When you've matched the pairs of equations, see if you can match the formulas with the countries!
