

School Report Card

The Georgia Department of Education reports school progress on the College and Career Readiness Performance Index (CCRPI). The complete CCRPI information for 2013 is available on the DOE website. The charts below reflect Criterion Referenced Competency Test (CRCT) results for math and reading, and trends for each content area.

School-wide CRCT results used to inform the 2014-2015 School Improvement Plan:

Reading remained stable at 94% (state target score = 94.6%, state performance = 95%)

Math decreased 5% to 85% (state target = 88.1%, state performance = 84%)

ELA decreased 2% to 90% (state target = 93%, state performance = 92%)

Science decreased 2% to 75% (state target = 82.3%, state performance = 80%)

Social Studies decreased 5% to 70% (state target = 81.3%, state performance = 82%)
