

Think About It

I will provide a 3 x 5 colored index card for you. On the front of the card, please write your first name clearly. I want you to write the name you want your classmates and me to call you all year. Write it in a visible color and large.

On the back of the card provide the four pieces of information below. Please write on the lined side, and orientate the card so the front side is upside down when you write your four pieces of information.

- 1) Write your full name. Middle name is optional.*
- 2) Write a physical goal you have this year: it may or may not be related to school.*
- 3) Write a goal you have in this class connected to writing.*
- 4) Write a goal you have in this class connected to reading.*

Purpose: This is your classroom, and I want you all to be represented as we work together to create a safe, nurturing, effective learning environment.

Audience: Your classmates and me
