Parent Testimonials

As parents we always want the best for our kids, we want them to feel happy and safe, we want them to grow academically and grow in Faith; St. Anastasia has provided that for my 3 kids. My oldest started in Pre-K and graduated, and as I see her as a freshman in High School she is reminding me of what my teachers did for me; they prepared me for High School. I will never forget what Mrs. Dutcher told us when we went to visit the school for the first time, "Get the good stuff in now while they are little to prepare them for the future" and that statement is so true!!! St. Anastasia has been our second home, and my kids see their teachers and staff as our second family. We are very blessed to be part of the St. Anastasia Family.

St. Anastasia School is our extended family. Our 3 daughters have been attending St. Annie's for 7+ years now and have absorbed invaluable life lessons on how to treat others, how to open their hearts to God and how to prepare for life in general. Our daughters excel academically through rigorous lessons, and have learned how to be independent in their studies.

We are so happy with our choice of Catholic education for our daughter Elizabeth. She LOVES her school, and teachers. We love the education, and the feeling of family St. Anastasia offers. We know that the teachers are preparing her for the next steps in her education. We made the right choice!
