
ST. ANTHONY ELA NOVEL ORDERING FORM

The option to purchase the remainder of the novels for the school year is now available to both students and parents. The total cost for the books is significantly lower than if purchased through your local bookseller.

Please select one of the following options and return this form back with your child. **Even if you are electing to NOT purchase books through the school, this form still needs to be completed and returned.**

If you elect to not use this program, then you are responsible for securing these texts by their start date. Students without books by the start dates will not be able to complete required assignments and therefore their grades will suffer. Please ensure that you have the required books for your child.

6th grade costs	\$35.00
7th/8th/Learning Lab costs	\$45.00

Please check one of the following.

I have elected to use the book purchasing program provided by the school and have enclosed cash, check, or money order totaling the cost amount detailed above for my child's grade level. *(Please make checks payable to St. Anthony Academy)*

I have elected **NOT** to use the book purchasing program provided by the school. I understand that I am responsible for securing these texts by their start date.
