

Infinite Campus is the official Hart District portal for faculty, students, and parents. The SV faculty uses I.C. for inputting grades, taking attendance and for communicating with parents. Since it is Internet based, students and parents can log on to I.C. from any computer connected to the internet. Students and parents can log on to Infinite Campus to see current grades, attendance, and any other information the faculty may need to share with you.

In order to take advantage of what I.C. has to offer, all students and families new to the Hart District need to create a Campus Portal Account. Incoming Sierra Vista 7th Graders or students new to Sierra Vista and new to the Hart District also need to create a Campus Portal Account.

You will have the option of creating an account during registration after the last station, or you may choose to create an account from home. **Before creating an account, you need to have an email account.** To create a Campus Portal Account please follow the steps listed below.

We hope you find I.C. an important tool and a great way to bridge home and school communication.

Sincerely,

The SV Administration

To create a Campus Portal Account please follow these steps:

1. Log on to <http://www.hartdistrict.org/>
2. In the upper right hand corner click on ***Campus Portal***
3. Under "*For Parents*" click on **Create an Account**
4. Fill out the form using the pull down menus for each section
5. After filling out form, do not forget to fill in the Antispam Verification box with the code provided
6. Now click on **submit**

After 3-5 days, your log-in information will be emailed to you.
