

Opinion Statement Peer Response Guide

Have you adequately expressed your views in your opinion statement? It can be hard to know. To find out how well you've made your point, ask a friend or classmate to respond to the following questions.

1. What is my opinion about this issue? Does my position come across clearly?

Response:

Suggestions for Revision:

2. What are my strongest supporting points?

Response:

Suggestions for Revision:

3. What are my weakest supporting points? How can I improve them?

Response:

Suggestions for Revision:

4. Is any information unnecessary?

Response:

Suggestions for Revision:

5. What more would you like to know about the issue or my opinion?

Response:

Suggestions for Revision:

6. Did my opinion statement make you think about the issue in a different way? Why or why not?

Response:
