

Science Agreement

Name _____ **Per.**

Due: _____

I have read the class syllabus and understand that:

- I must check Ms. Yang’s website at **sphstigers.org** or **sphs.spusd.net** for updates prior to each class period so that I come prepared.
- I must check Ms. Yang’s website at **sphstigers.org** or **sphs.spusd.net** for updates whenever I am absent from class so that I am aware of what I missed.
- if I am absent, I am responsible for getting in touch with the teacher to turn in work that was due on the date of absence AND to establish a timeline for makeup work that was assigned during the date(s) of absence(s).
- if I missed a test/quiz on the date of absence, I must be ready to make it up on the date of return, or otherwise prearranged with the teacher. I must contact the teacher for makeup BEFORE returning to class if any exceptions are to be made.
- I am responsible for knowing upcoming quiz and test dates. I am not excused from a test/quiz if I am absent the class day prior to the scheduled test/quiz. Exceptions must be prearranged with my teacher through email or phone call, either by myself or through my parent(s), BEFORE the day of the test/quiz.
- I am responsible for getting any missed class notes from my teacher or from a classmate.
- assignments and test/quiz scores are updated regularly on Aeries. I am responsible for keeping track of my own grade, and that if it falls below a C average, I must contact my teacher to establish a strategy for improving it.
- while I am encouraged to work collaboratively with my classmates, I shall not ask anyone to allow me to copy his/her work so I could receive credit. I shall not receive any credit as a result of such action, and my parent(s) will be notified. Recurrent incidences will result in further disciplinary action.
- I shall not solicit information from other students about the content of any test/quiz. Such action is considered cheating.
