

MEET OUR NEW PRESCHOOL DIRECTOR– KRISTIE FLOHRA!!

We are so excited and feeling blessed to have Kristie Flohra join our team here at Christ Lutheran on July 7th! She comes to us with an impressive background, highly educated, a wealth of experience, and incredible joy for the Lord. With her passion and commitment to equip children with the necessary skills to succeed, Kristie has wonderful vision and ideas to make our preschool the best in town.

Some reasons why we are so grateful:

- Kristie has 17 years of experience in Lutheran Education and has taught/administered all grade levels, from preschool to middle school. She has also served as an Assistant Principal for 7 years.
- Her undergraduate degree is from Cal State Fullerton and she earned her teaching credential and Masters in Education and Curriculum from Concordia Irvine. She has all the required credentials to serve as Preschool Director in California.
- Kristie is well respected by educators throughout the Pacific Southwest District of the LCMS and currently serves on the Pacific Southwest District's Accreditation Commission.
- This year she is also the Program Chair for the Lutheran Educator's Conference (held each November) that gathers approximately 1,500 educators from across our District.

Kristie was born and raised in Orange County. She was married to her husband Ryan on June 25, 1999 and they live in Anaheim Hills. They have three children: Megan-11, Madeline-5, and James-1. Megan and Madeline will be joining us in our day school!

Kristie looks forward to meeting and knowing all of our families and partnering with you for the success of the children.

Please help us welcome her to our “cool little school” and show her how amazing our families are here at Christ Lutheran!
