Principal's Message

As the principal, I have the privilege of introducing you to Donlon Elementary School. The Donlon community is committed to preparing all of our students to lead happy, healthy, and productive lives. Our goal is to have all students strive to become informed citizens who are prepared to participate in a culturally diverse society. Our school's priority is to provide a safe learning environment where students are supported academically, emotionally, socially, and physically to reach their full potential.

At Donlon, we strive to provide students with a safe learning environment where they are supported and challenged academically. Our very dedicated and high qualified staff uses our strong standards-based curriculum combined with effective instructional strategies to meet the needs of our diverse student population. We use continuous assessments and data to inform our instruction and develop learning goals for our students. The school-wide use of the Lifeskills program provides members of our school community with the tools to create a sense of community in which there is a standards of excellence in all interactions that take place. We also tie in our city and district wide adopted Community of Character Traits: Responsibility, Compassion, Self-Discipline, Honesty, Respect, and Integrity across the curriculum.

Parent and community involvement play an integral role in the success of Donlon. Our Parent Faculty Club (PFC) and School Site Council (SSC) works closely with staff to support and enrich our school programs. We also work directly with outside community groups in providing our students with links to real life experiences. At Donlon, we are proud of the commitment by our students, staff, families, and community members in making Donlon a place where children thrive and are given multiple opportunities for success.

Sincerely,
Amy Simone

Mission Statement

The Donlon community is committed to preparing all of our students to lead happy, healthy and productive lives. We strive to create a community of character by emphasizing the District's character traits and through our commitment to the use of Lifeskills on a daily basis. Our goal is to have students strive to become informed citizens ready to participate in a culturally diverse society.

School Profile

Donlon Elementary School is located in the northwestern region of Pleasanton and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2010-11 school year, 753 students were enrolled, including 12% in special education, 17% qualifying for English Language Learner support, and 4% qualifying for free or reduced price lunch. Donlon Elementary School achieved a 2011 Academic Performance Index (API) score of 914 and met all 2011 Adequate Yearly Progress criteria.

Student Achievement

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested can be found on CDE's Standardized Testing and Report Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2011 STAR Program Summary Results to the Public guide at <http://star.cde.ca.gov/star2011/>.

Physical Fitness

In the spring of each year, Donlon Elementary School is required by the state to administer a physical fitness test to all students in grade five, grade seven, and grade nine. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2010-11 AYP cycle, elementary and middle schools must achieve a 67.6% or higher proficiency rate in all subgroup populations for English/Language Arts and 68.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 710 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2010-11, Donlon Elementary School did not participate in the Title I program and is therefore not required to comply with program mandates.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, the school marquee, school website, Principal's Coffee, eConnection, and teacher email. Contact Cheryl Thoe, our PFC President, at (925) 426-4220 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Donlon Elementary School's original facilities were built in 1968; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Upgrades to technology in all classrooms including installation of LCD projectors and document cameras

Every morning before school begins, the principal and custodian inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Donlon Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Restroom cleaning
- Kids Club setup/cleanup
- Activity setup/cleanup

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Activity setup/cleanup

The principal communicates with custodial staff weekly concerning maintenance and school safety issues.

Deferred Maintenance

Donlon Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2010-11 school year, Donlon Elementary School received a portion of \$269,264 in deferred maintenance funds for the repair and/or maintenance of:

- Roofing
- Plumbing
- Heating/Air Conditioning Systems
- Floor Systems
- Other Systems

Facilities Inspection

The district's maintenance department inspects Donlon Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Donlon Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Tuesday, August 16, 2011. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2010-11, all restrooms were fully functional and available for student use.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators and teachers are strategically assigned to designated entrance areas and the playground. During recess, teachers supervise playground activity. Administrators and lunch supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, administrators and teachers monitor student behavior to ensure a safe and orderly departure.

Donlon Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Donlon Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in February 2011.

Classroom Environment

Discipline & Climate for Learning

Donlon Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Donlon Elementary School revolve around the California State Content Standards and Frameworks. During the 2010-11 school year, Donlon Elementary School held staff development devoted to:

- Addressing the Achievement Gap
- Differentiated Instruction
- Special Learning Disorders
- Equity Training

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input, district benchmark results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Donlon Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers meet in grade level teams to conduct data analysis to identify areas of need.

Donlon Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and

conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Donlon Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 13, 2011, the Pleasanton Unified School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 2011.12.01 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2011-12 school year, Pleasanton Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Leadership

School leadership is a responsibility shared among the principal, school staff, and parents. Principal Amy Simione is responsible for the day-to-day operations of the school and overall instructional program. Coordinating efforts with the Principal is the Principal's Advisory Council, comprised of the principal, grade level representatives, a specialist staff representative, a parent representative, and a classified representative. The Principal's Advisory Council meets monthly throughout the year to evaluate effectiveness of instruction programs and implement strategies that increase student proficiency.

Principal Amy Simone has been in the educational field for 14 years and serving Donlon Elementary School for 1 years (as of 2010-11). Previous positions held in other schools include: vice principal, classroom teacher, teacher induction coach, and Title I Specialist. Principal Amy Simone holds a bachelor's degree in Recreation Administration, a master's degree in Interdisciplinary Education, a Multiple Subject Teaching Credential and a Clear Administrative Services Credential.

Professional Staff

Counseling & Support Staff

Donlon Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Donlon Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Teacher Assignment

During the 2010-11 school year, Donlon Elementary School had 37 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2009-10 salary comparison data was the most recent data available at the time this report was published.)

Expenditures Per Student

For the 2009-10 school year, Pleasanton Unified School District spent an average of \$7,599 of total general funds to educate each student (based on 2009-10 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Pleasanton Unified School District receives state and federal categorical funding for special programs. For the 2009-10 school year, the district received categorical, special education, and support programs funds for:

- ARRA: State Fiscal Stabilization Fund
