The Responsible Electorate (V.O. Key)
Post-Reading Reflections/synopsis

- ≡ What assumption does Key contend is a "mischievous error?"

- ≡ Key contends, based on research about voter behavior, that if I know the below characteristics about a voter, I can probably predict his vote:
 - 1.
 - 2.
 - 3.
 - 4.

- ≡ What does Key mean when he describes politics as an "echo chamber?"

- ≡ What does Key conclude is the true significance of theories of how voters behave?

- ≡ What "portrait of the electorate" does Key believe has developed from data regarding recent American presidential campaigns?
