

Ms. Callejas

A.P. U.S. History

APUSH History Summer Assignment

1. Complete: the 2 Maps of the United States.
2. You will have a quiz on American geography the first week of school. You can study for this quiz by taking the online interactive quiz (see link below).
3. Read: *The American Pageant Chapter 1: New World Beginnings*. Homework will be assigned the first day of class. Reading the chapter a few days before class begins will facilitate the work load.

Online interactive American Geography quiz:

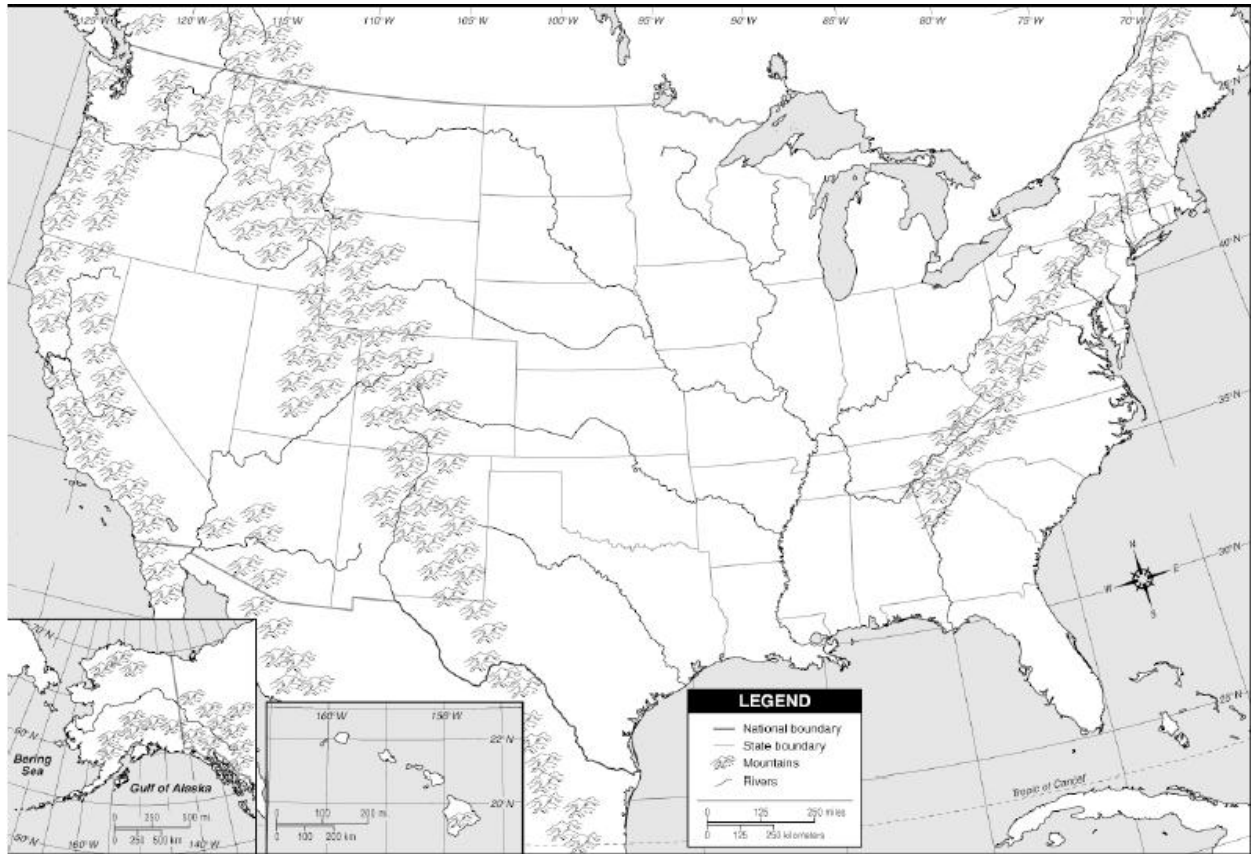

www.learner.org/interactives/historymap/index.html

Before we begin our survey of American history, it is imperative that you are able to identify physical feature on a map. We will refer to these places as we examine the growth of our nation.

Map 1: Physical Features Map

1. Label the following on your map.

<u>Bodies of Water</u>	<u>Rivers</u>	<u>Mountain Ranges</u>
Pacific Ocean	Colorado River	Sierra Nevada Mountains
Atlantic Ocean	Rio Grande	Rocky Mountains
Gulf of Mexico	Mississippi River	Appalachian Mountains
Lake Superior	Ohio River	
Lake Michigan	Columbia River	
Lake Huron	Hudson River	
Lake Erie	Missouri River	
Lake Ontario	St. Lawrence River	
Great Salt Lake		

Map 2: The States

1. On a separate sheet of paper, type the numbers 1-50.
2. Then correctly identify all of the states next to the corresponding number.
